Dated 13<sup>th</sup> April, 2018

Dear Sir/Madam,

The vision of Hon'ble Prime Minister is to make India "Skill Capital of the World" by empowering youth with appropriate skills. Ministry of Skill Development and Entrepreneurship was set up in November 2014 to drive the 'Skill India' agenda in a 'Mission Mode' in order to converge existing skill training initiatives and combine scale and quality of skilling efforts, with speed. The ministry, is working hard to achieve its objectives of skilling with speed, scale and standards .

Since its inception, the ministry has formulated number of schemes and programmes which are aimed at removing disconnect between demand and supply, improving quality and standards of training institutes, developing courses for new skill for future job roles and making skill development aspirational for youth.

The Ministry is organizing a "State Ministers' Conference" on 27<sup>th</sup> April, 2018 at Vigyan Bhavan, Maulana Azad Road ,New Delhi, with the objective that all the State Governments and other stake holders of "Skill Eco System" are well informed about these new initiatives and schemes which would help them for smooth implementation in their respective States. The details of the programme is enclosed.

Hon'ble Minister of Skill Development and Entrepreneurship (MSDE) will be inaugurating the conference. May I request you to kindly participate in the above conference along with relevant officers to put forward the best practices of your State and State's perspective on future road map for skills. A separate invite is also being sent to State Ministers for Skill Development & Vocational Training for their participation in the conference.

Regards,

Yours sincerely

  
(Rajesh Agrawal)
