1. Invitation

The Directorate General of Training, Ministry of Skill Development & Entrepreneurship, Government of India invites Expression of Interest (hereinafter referred as the 'EOIs') from eligible and qualified Service Provider for selection of Agency for conduct of End-to-End Computer Based Test and Engineering Drawing Examination for various schemes of Directorate General of Training.

Interested Service Providers should provide sufficient and relevant information demonstrating that they meet the specified eligibility criteria and have the required qualifications to be shortlisted for providing the services. This Request for Expression of Interest (REOI) document, reference number, DGT-18024/2/2026-O/O DIR (TT), details the process of such shortlisting. As part of this procurement process, a Request for Proposals (RFP) for selecting service provider shall be subsequently issued only to such shortlisted Service Providers.

2. Pre-EOI Conference and Corrigenda/ Addenda to REOI document

2.1 Pre-EOI Conference

2.1.1 Prospective service providers interested in participating in this REOI may attend a Pre-EOI conference, to be held at DGT office on date and time intimated on DGT website after publishing of the REOI to clarify the conditions of the REOI process. Participation in the Pre-EOI conference is not mandatory.

2.1.2 After the Pre-EOI conference, minutes of the Pre-EOI conference (including the questions asked in writing and those asked during the meeting (without identifying the source) and the responses given, together with any responses prepared after the meeting, shall be published on the DGT's Portal within seven days from the Pre-EOI conference.

2.2 Corrigenda/ Addenda to REOI document

2.2.1 Before the deadline for submitting EOIs, the DGT may update, amend, modify, or supplement the information, assessment or assumptions contained in the REOI document by issuing corrigenda and addenda. The Service Providers must check the website(s) for any corrigenda/ addenda. Any corrigendum or addendum thus issued shall be considered a part of the REOI document.

2.2.2 If considered necessary, the DGT may suitably extend the EOI submission deadline to give reasonable time to the prospective Service Providers to take such corrigendum/ addendum into account in preparing their EOI. After the DGT makes such modifications, any Service provider who has submitted his EOI shall have the opportunity to either withdraw his EOI or resubmit his EOI superseding the original EOI within the extended time of submission.

2.2.3 The DGT may extend the deadline for the EOI submission by issuing an amendment. In such a case, all rights and obligations of the DGT and the Service Providers previously subject to the original deadline shall then be subject to the new deadline for the EOI submission.

3. DGT - Right to reject any or all EOIs

The issue of the REOI document does not imply that the DGT is bound to shortlist Service Providers. The DGT reserves its right to accept or reject any or all EOIs, abandon/ bypass/ cancel the REOI process and issue another REOI for the same or similar Services before or after shortlisting Service Providers. DGT would have no liability to the affected Service Provider(s) or any obligation to inform the affected Service Provider or Service Providers of the grounds for such action(s).

4. Introduction

The Directorate General of Training (DGT), an attached office of the Ministry of Skill Development and Entrepreneurship (MSDE) is the apex body for development and coordination of programmes related to long-term Vocational Training in India. Ministry of Skill Development and Entrepreneurship (MSDE) is the administrative ministry for vocational training in India. MSDE is supported by Directorate General of Training (DGT), National Skill Development Corporation (NSDC) and Sector Skill Councils (SSCs). DGT administers four major training schemes, the Craftsmen Training Scheme (CTS), Craft Instructor Training Scheme (CITS), training with Industrial Training Partners (ITP) under Flexi MoU scheme and Apprenticeship Training Scheme (ATS).

The lifecycle (from admission to certification) of candidates enrolled under above mentioned schemes are maintained online on portals including Skill India Digital Hub (SIDH; dgt.skillindiadigital.gov.in) (for CTS and CITS), Apprenticeship India Portal (apprenticeshipindia.gov.in) (for ATS) and other DGT's portals.

4.1 Objective

The Directorate General of Training (DGT) in the Ministry of Skill Development and Entrepreneurship (MSDE) is the apex organisation for development and coordination at National level for the programmes relating to vocational training. Industrial Training Institutes (ITIs) are under the administrative and financial control of State Governments or Union Territory Administrations. DGT also operates Vocational Training Schemes in some of the specialized areas through field institutes under its direct control. Development of these programmes at national level, particularly in the area concerning common policies, common standards and procedures, training of instructors and trade testing (**assessments and certification**) are the responsibility of the DGT. But, day-to-day administration of Industrial Training Institutes rests with the State Governments/ Union Territories Administrations.

Craftsmen Training Scheme (CTS), Craft Instructor Training Scheme (CITS), Apprenticeship Training Scheme (ATS) and Flexi MoU are major schemes implemented by the DGT in Government and Private Industrial Training Institutes (ITIs), National Skill Training Institute (NSTIs), Institute of Training of Trainers (ITOTs) and Govt and Private Establishments.

Craftsmen Training Scheme (CTS): The Craftsmen Training Scheme (CTS) for training of skilled craftsmen is implemented through Govt. and Pvt. Industrial Training Institutes (ITIs) which are under the administrative and financial control of State Governments or Union Territory Administrations. Duration of these training courses varies from 6 Months -2 Years duration, NSQF compliant courses in 169 Trades (presently, which may increase or decrease as per requirement) which includes 86 Engineering trades, 78 Trades in the Non-Engineering Sector and 05 courses for Persons with

Disabilities (PwD)/ Divyangjan.

Apprenticeship Training Scheme (ATS): A provision for supplementing the skills learnt during the ITI training is also available in the form of workplace training through the Apprenticeship Training Scheme (ATS). Also, one of the prime objectives of this scheme is optimal utilization of the infrastructural facilities available in the industry, where the apprenticeship training actually takes place, hence meeting the requirement of skilled manpower for industry.

Craft Instructor Training Scheme (CITS): A comprehensive training, both in skills and training methodology is imparted to those interested in becoming Instructors/ trainers in vocational training institutes, under the Craft Instructor Training Scheme (CITS). The idea is to develop their skills and competencies and make them conversant with the techniques of transferring hands-on skills to their students. This scheme is implemented through the National Skill Training Institutes (NSTIs) located in 33 locations across the country and in 120 Government and Private ITOTs (Institute for Training of Trainers).

Flexible Memorandum of Understanding Scheme: The scheme is designed to cater to the needs of both industry as well as trainees. The scheme allows industries to train candidates as per their skill set requirements and provides trainees with an industry environment aligned with the market demand and latest technology to undergo training. DGT has also signed MoUs with Indian Armed Forces (Army, Navy and Airforce) under Flexi-MoU scheme for awarding National Trade Certificate (NTC) to the Agniveers by recognizing their training and experiential learning during their services. DGT conducts assessment and certification for all these schemes. The assessment comprises both theory and practical assessments. The theory examinations are held in Computer Based Test (CBT) mode.

DGT is, moreover, planning to introduce Engineering Drawing examinations in pen and paper mode for CTS, CITS and Flexi MoU schemes with scanning of answer sheets at examination venues, and evaluation of answer sheets by examiners on a digital evaluation platform.

Through this EOI, DGT intends to seek interested probable 'Service Provider' for conducting End-to-End Computer Based Examination and Pen and Paper Examination with digital evaluation for Engineering Drawing (ED) for candidate enrolled under CTS, CITS, ATS, Flexi MoU (including for Agniveers) and any other schemes on pan India basis.

DGT will invite limited RFP with the selected service provider through this EOI.

4.2 Definition of Terms

4.2.1 Bidder means any firm offering the solution(s), service(s) and /or materials required in the RFP. The word Bidder when used in the pre-award period shall be synonymous with Bidder, and when used after award of the Contract shall mean the Service Provider (SP) with whom DGT signs the agreement for providing its services.

4.2.2 Contract is used synonymously with Agreement

4.2.3 Document means any embodiment of any text or image however recorded and includes any data, text, images, sound, voice, codes, databases or any other electronic documents as per IT Act 2000 as amended from time to time.

4.2.4 DGT refers to Directorate General of Training

4.2.5 SP means Service Provider that has to provide services to DGT as per the scope of work.

4.2.6 Scope of Work means all Goods and Services, and any other deliverables as required to be provided by the SP under the RFP.

4.3 Bidding Data Sheet

S. No	Particulars	Details
1	Document ID	DGT-18024/2/2026-O/o DIR (TT)
2	Release Date	3 March 2026
3	EOI issued by	Directorate General of Training (DGT)
4	Availability of EOI	EOI can be downloaded from: i) DGT website https://www.dgt.gov.in/en/tender-notice ii) Central Public Procurement Portal (CPPP) www.eprocure.gov.in
5	Last Date of Submission of the EOI	Proposals must be submitted within 21 days from publishing of the EOI.
6.	Validity of EoIs	EOIs shall remain valid for a period not less than 120 (one hundred twenty) days from the deadline for the EOI submission. An EOI valid for a shorter period shall be rejected as nonresponsive .

5. Pre-qualification Criteria (Shortlisting criteria under the EOI)

Following criteria prescribed as the Pre-Qualification criteria for bidder interested in undertaking the project shall be applicable. The bidder shall fulfill all the following preconditions and must also submit documentary evidence in support of fulfillment of these conditions while submitting the response to this EOI. Claims without documentary evidence will not be considered

S.No	Parameter	Eligibility Criteria
1	Legal Entity*	I. A company incorporated in India under the Companies Act, 2013 and subsequent amendments thereto (Firm/LLP/ Govt./PSU) should have registered offices in India and should be in existence for at least the last Five (5) financial years, as on 31 March 2025. II. Should have GST Number III. Should have a valid PAN Number IV. Consortium / Joint venture bid not allowed.

S.No	Parameter	Eligibility Criteria
2	Financial Turnover **	The bidder should have minimum annual average turnover of INR 70 (Seventy) Crores from online examination/ assessment business for the last three financial years (i.e. 2022-23, 2023-24 and 2024-25).
3	Financial Strength	Bidder should have positive Net Worth for the last three financial years (i.e. 2022-23, 2023-24 and 2024-25).
4	Infrastructure	The bidder should have offices in at least 05 States/ UT's across India
5	Experience	The bidder must have <ul style="list-style-type: none"> i. minimum last 03 calendar years (year ended on December 2025) of experience in conducting online - examination/CBT/ assessments. ii. must have conducted online exam/ CBT assessment at exam centers throughout the country on PAN India basis in 200 or more districts covering at least 20 states in a single exam cycle. iii. At least once in the preceding 03 calendar years have conducted online exam/ CBT assessment for 1 lakh or more candidates in a single day.
6	Non-Blacklisting	The Bidder shall not be blacklisted or debarred, as on the date of submission of response to this REoI for any activity related to the examination business by the Government of India, State Government, Public Sector Undertaking, regulatory authority, or any of their agencies.
7	Certification	The Bidder must have valid at least CMMI Level 3 certification for both services and development.
8	Manpower	The bidder shall have a minimum overall staff strength of 200 personnel on its roll as on the date of submission of response to this REoI.

*In the event of any corporate change of the Bidder, including but not limited to merger, amalgamation, acquisition, demerger, reorganization, change of ownership or name, or transfer or assignment of business, resulting in continuity of operations and transfer of assets, rights and obligations to a successor entity, the Bidder and/or such successor entity shall be entitled to rely upon the experience, technical and financial credentials of the predecessor entity, as applicable. The Bidder and/or the successor entity shall submit relevant legal documents, evidencing such corporate change and continuity of business, for the purpose of establishing eligibility, experience, technical and financial credentials and all matters connected therewith.

** Parent Company/ Group's Turnover will not be considered.

6. Evaluation of EOI

6.1 General Instructions on Bid Submission

- 6.1.1 The Procuring Entity is neither a party nor a principal in the relationship between the service provider and the organisation hosting the e-procurement portal. Service providers must comply with the rules, conditions, regulations, procedures, and implied conditions/ agreements of the eProcurement portal, including registration, compatible Digital Signature Certificate (DSC) etc. Service providers shall settle clarifications and disputes, if any, regarding the portal directly with them. In case of conflict between provisions of the portal with the REOI document, provisions of the portal shall prevail. Service providers may study the resources provided by the Portal for Service provider. EOI proposal shall consist of supporting proofs and documents as defined in Section 5 Pre-Qualification Criteria.
- 6.1.2 The individual signing/ digitally signing the EOI or any other connected documents should submit an authenticated copy of the document(s), which authorises the signatory to commit and submit EOIs on behalf of the Service provider.
- 6.1.3 EOIs must be uploaded on the eProcurement Portal on/before the submission deadline. If the office happens to be closed on the deadline to submit the EOIs as specified above, this deadline shall not be extended. No manual EOIs shall neither be made available nor accepted for submission.
- 6.1.4 In the case of downloaded documents, Service providers must not make any changes to the contents of the documents while uploading, except for filling in the required information. Otherwise, the EOI shall be rejected as nonresponsive. Uploaded Pdf documents should not be password protected.
- 6.1.5 Only one copy of the EOI can be uploaded, and the Service provider shall digitally sign all statements, documents, and certificates uploaded by him, owning sole and complete responsibility for their correctness/ authenticity as per the IT Act 2000 as amended from time to time.
- 6.1.6 Submission of EOI in response to the REOI document is deemed to be acceptance of the procedures and conditions of the e-Procurement and REOI document.

6.2 Evaluation Process

- 6.2.1 DGT shall evaluate the responses to the EOI and all supporting documents/ documentary evidences. Inability to submit requisite supporting documents/ documentary evidence, may lead to rejection of the EOI Proposal.
- 6.2.2 The DGT may seek additional documents or clarifications as and when required from the bidders.
- 6.2.3 Each of the responses shall be evaluated to validate compliance of the applicant according to the Pre-Qualification Criteria, Forms and the supporting documents specified in this document.
- 6.2.4 The decision of the DGT in the evaluation of responses to the Expression of Interest shall be final.

6.3 Notification to Short-listed bidders

- 6.3.1 DGT shall notify the shortlisted bidders on its website (<https://www.dgt.gov.in/en/tender-notices>)
- 6.3.2 Only Shortlisted bidders will be issued the Request for Proposal (RFP).

7. Conflict of Interest

Any service provider with a conflict of interest that substantially affects fair competition shall not be eligible to participate in this procurement process. EOIs found to have a conflict of interest shall be rejected as nonresponsive. A service provider in this procurement process shall be considered to have a conflict of interest if the service provider:

- 7.1 directly or indirectly controls, is controlled by or is under common control with another Service provider;
or
- 7.2 receives or has received any direct or indirect subsidy/ financial stake from another service provider; or
- 7.3 has the same correspondence address or same legal representative/ agent as another service provider for purposes of this EOI; or
- 7.4 has a relationship with another service provider, directly or through common third parties, which puts it in a position to have access to information about or influence the EOI of another Service provider; or
- 7.5 would be providing goods, works, or services resulting from or directly related to services that it provided (or were provided by any affiliate that directly or indirectly controls, is controlled by, or is under common control with that firm) for the procurement planning (inter-alia preparation of feasibility/ cost estimates/ Detailed Project Report (DPR), design/ technical specifications, terms of reference (TOR)/ Activity Schedule/ schedule of requirements or the EOI/ RFP Document etc) of this procurement process; or
- 7.6 has a close business or family relationship with a staff of the Procuring Organization who:
 - i) are directly or indirectly involved in the preparation of the REOI document or Terms of Reference of the procurement process and/or the evaluation in EOI and/ or RFP process; or
 - ii) would be involved in the implementation or supervision of the resulting contract Any conflict stemming from such a relationship must be reported and resolved in a manner acceptable to the DGT throughout the REOI and RFP processes and execution of the contract.

8. Scope of Work

Craftsmen Training Scheme (CTS): The Craftsmen Training Scheme (CTS) is implemented through 14,000+ Government and Private ITIs throughout the country, enrolling approximately 14 lakh candidates annually. The assessments for candidates enrolled into the ITIs is mandated to be done twice annually in theoretical and practical subjects. The mains examinations are conducted for approximately 14 lakh (first year) + 8 lakhs (second year) trainees. Further, another about 3.5 lakh candidates participate in supplementary examination. From year 2022, each candidate appears in one theory paper of two-hour duration in Computer Based Tests (CBT) mode. Please refer to **Annexure-I** for indicative number of candidates enrolled in 2023- two-year trades and 2024- all duration trades.

Craft Instructor Training Scheme (CITS): The CITS currently enrolls approximately 13,000 candidates across 41 one-year trades in 33 Central Government National Skill Training Institutes (NSTI) and 120 Government and Private Institute of Training of Trainers (ITOTs) across the country. Each enrolled candidate under CITS appears in two papers. Please refer to **Annexure-II** for indicative number of candidates enrolled in current academic year i.e. 2025-26 under the CITS.

Entrance Exam for Craft Instructor Training Scheme (CITS): Entrance exam for admission in CITS one-year trades is conducted for approximately 45,000 candidates across about 41 trades for admission in around 33 Central Government National Skill Training Institutes (NSTI) and 120 Government and Private Institute of Training of Trainers (ITOT) across the country.

Apprenticeship Training Scheme (ATS): The examination under ATS are conducted for approximately 10,000 apprentices annually enrolled in designated trades as fresher candidates. The examinations are conducted quarterly (~2,500 per quarter).

Flexible Memorandum of Understanding Scheme: Under Flexi MoU scheme, examinations for approximately 6,000 candidates, trained under Flexi-MoU with five Industrial Training Partners (ITPs), are conducted annually. Each candidate appears for two theory papers during the mains examination. DGT has also signed MoUs with Indian Armed Forces (Army, Navy and Airforce) under Flexi-MoU scheme for awarding National Trade Certificate (NTC) to the Agniveers by recognizing their training and experiential learning during their services. For award of NTC, DGT will conduct assessment of all Agniveers. Approximately 50,000 Agniveers are expected to appear for assessment to be conducted for the first time by DGT in year 2026.

Digital Evaluation for Engineering Drawing: DGT is, moreover, planning to introduce Engineering Drawing examinations in pen and paper mode for CTS and CITS schemes with scanning of answer sheets at examination venues, and evaluation of answer sheets by examiners on a digital evaluation platform.

Exam on Request: DGT may at its discretion introduce the facility of 'Exam on-Request' for mains/supplementary examinations allowing candidates to appear for examinations at any time by paying requisite fee, selecting available center/ location and scheduling the exam. The SP shall provide online platform for candidates to complete these activities. The SP shall be responsible for end-to-end conduct of the examination at the selected centres on the scheduled date and time. The SP shall also ensure availability of sufficient exam slots, operational readiness of centres, timely processing of examination data, etc.

Language of Examination: The question paper during CBT needs to be provided in English (default language) and Hindi/Regional Languages as applicable for the trainees of concerned state as per **Annexure III**. The question paper is to be given in default language English and a choice to select the second language from Hindi and any of the Annexure III's language.

Any other examination introduced by the DGT in future will also be covered under this scope of work.

The SP shall conduct exams for trainees undergoing training as well as candidates appearing for supplementary examinations from previous sessions.

APIs to be Developed by Service Provider: For flow of information to and fro between DGT's Portals and SP system, SP has to develop APIs as per requirement, inter alia the following:

- i. API to receive candidate's data from DGT's portals for whom scheduling has to be done by SP
- ii. API to send candidate's mapping data to DGT's portals for hall ticket generation
- iii. API to send candidate's marks data to DGT's portals for result declaration
- iv. API to send outcome of the face recognition verification to DGT's Portal in **real time**

The Scope of Work has been divided into following three broad phases:

- i) Pre- Examination Phase
- ii) Examination Phase
- iii) Post Examination Phase

8.1 Pre-examination /Preparatory Phase

The selected bidder is expected to draw the examination plan and implement the design of the examination processes as required by DGT. The plan shall be presented to the DGT for approval before each examination. Moreover, examination agency has to deploy at least two manpower at DGT office at New Delhi during the entire currency of the contract for direct liaison for the examination planning.

Broadly, the requirements will be as follows:

8.1.1 Examination Planning and Scheduling

8.1.1.1 The selected bidder shall develop a comprehensive examination schedule / plan taking into account the total number of trades, subjects, locations and candidates enrolled. The bidder must ensure that each candidate get sufficient time between two examinations. The candidate appearing in two papers must be scheduled on the same day in different shifts.

8.1.1.2 Complete Security management processes

1. Physical Security
2. Information Security
3. Server Security
4. Network Security

8.1.1.3 Complete Security management processes:

The selected bidder shall prepare and provide Standard Operating Procedure (SOP) for all processes for safe and secure conduct of examination along with rules for contingency and exception handling/emergency procedures.

8.1.2 Capacity Planning, Infrastructure Specifications and Readiness

8.1.2.1 The selected bidder shall provide consulting, training and manpower support to handle the entire Examination. The required Hardware, Software, networking shall be installed by the Bidder on lease/rent basis, whose cost would be covered under the commercial bid.

8.1.2.2 The selected bidder, as per the requirements and directives from DGT, shall setup systems at the required Exam Centers across India ensuring that at least 10% of the systems are available as backup per shift, for example, if 100 systems are going to be used, the center shall have at least 110 systems available per shift.

8.1.2.3 **User System:** Every candidate shall be provisioned with one individual computer node for appearing in the examination. The detailed specifications of user computer node is provided in table below

Processor	CPU Speed should be 1.5 GHz or above
RAM	4 GB or higher
Screen Resolution	1024X768 or better
Screen Size	At least 15-inch monitor
Operating System	Windows XP Professional, Windows 7 or equivalent or higher version with appropriate Service Pack/ Linux based thin client
Browser and	Internet Explorer 7.0 or above as supported by above Operating Systems

Browser Setting	Java Script enabled Pop-up blocker enabled Proxy disabled (Direct Internet) USB disabled, remote desktop disabled during exam after exam login Firewall and authorised antivirus should be present
Performance and Security Criteria	Must support at least 100 candidates without any perceivable degradation in performance Response time for question/page loading must be less than one second All responses to be acted upon in real time Necessary settings must be done to disable access to any outside content/ web browsing or medium for malpractices during examination

8.1.2.4 The selected bidder shall provide specifications for Hardware and Software of required Devices and systems to be used for authentication and audit trail mechanisms required for Exam.

8.1.2.5 The selected bidder shall ensure that all Exam Centers have the prescribed Hardware, Software and LAN connectivity for conducting Examination.

8.1.2.6 The selected bidder shall identify Exam Centers in consultation with respective state governments. The distance of exam centre from the concerned institute must be less than 25 Km. If not possible, it should not be more than 50 Km and same shall be agreed to upon and approved by DGT. However, for supplementary examination and exam-on-request, the distance requirement may be relaxed in consultation with states and preference of candidates respectively.

8.1.2.7 The centres may also be set up at Government/Private Industrial Training Institutes (ITIs) having requisite infrastructure. However, all operations related to conducting examination at the centers, shall be liability of the bidders/ SPs. The list of examination centres setup during CTS Mains Examination in Aug 2025 is attached at **Annexure IV** for reference.

8.1.2.8 Accessibility and proximality to public transports of all centres have to be ensured by the SP. All centres must be accessible to differently-abled.

8.1.2.9 The selected bidder shall ensure that UPS facilities and Generator facility are available at each Exam Centre for un-interrupted power.

8.1.2.10 The selected bidder shall carry pre-exam audit at Exam Canters to ensure specifications of user computer node and working condition of UPS & Generator as mentioned above.

8.1.2.11 Any change in the system requirement has to be approved by DGT prior to examination schedule.

8.1.2.12 The selected bidder shall ensure suitable drinking water and separate toilet facilities for both Boys and Girls at each examination center.

8.1.2.13 Infrastructure for Conduct of Engineering Drawing (ED) Examination:

8.1.2.13.1 Service Provider (SP) has to ensure availability of suitable desk space for candidates to take Engineering Drawing examination in A4 sheets. It will be responsibility of Service Provider (SP) to provide candidates with A4 answer booklet for ED examination.

8.1.2.13.2 The Service Provider (SP) shall be required to arrange, deploy and operate adequate number of high-speed document scanners at each examination venue for digitization of Engineering Drawing answer sheets immediately after completion of the examination. The scanners provided shall be capable of scanning A4 size without compromising legibility of fine lines, dimensions, annotations and symbols typical to engineering drawings. The scanners shall support a minimum optical resolution of 300 dpi, true-color scanning, and output in standard non-editable formats such with lossless or high-quality compression. The equipment shall have sufficient throughput to meet venue-wise scanning timelines on the same day of examination and shall support features such as flatbed scanning/ ADF, automatic image enhancement, skew correction, and secure local storage/transfer. The SP shall ensure that trained manpower is deployed for secure handling, scanning, quality

verification and uploading of scanned answer sheets.

- 8.1.2.13.3 The Service Provider (SP) shall also provide and maintain a secure, web-based digital evaluation platform for hosting the scanned Engineering Drawing answer sheets. The platform shall support onboarding of examiners (or be integrated to DGT SIDH Portal) and shall ensure complete anonymisation/masking of candidate identity and examination centre details prior to allocation for evaluation. The system shall enable automated allocation of scanned answer sheets to empanelled examiners based on configurable rules, such as uniform or equitable distribution of workload, subject/trade-wise mapping, and other parameters as may be defined in consultation with DGT. The platform shall provision marking of answer sheets by the examiners against marking pattern defined by the DGT. The platform shall further provide provisions for dynamic re-allocation of non-evaluated or partially evaluated answer sheets, including due to examiner non-availability or delay, in accordance with timelines and business rules prescribed by DGT. Adequate audit trails, access controls, role-based permissions, and data security measures shall be ensured to maintain confidentiality, integrity and traceability throughout the evaluation lifecycle.
- 8.1.2.13.4 In case of non-clarity of the scanned answer sheets, the examiners may be provisioned on the platform to mark the same and in such cases, it will be responsibility of the Service Provider (SP) to rescan and reupload the marked answer sheets.
- 8.1.2.13.5 The Service Provider (SP) shall be required to provide a dashboard for real-time monitoring and review of the progress of digital evaluation of Engineering Drawing answer sheets. The dashboard shall be accessible to authorised users of the State Governments and DGT, as defined by DGT.
- 8.1.2.13.6 The dashboard shall, inter alia, provide consolidated as well as drill-down views on indicators, including but not limited to: total number candidates scheduled for ED examination, total candidates appeared, total number of answer sheets scanned and uploaded, number of answer sheets allocated for evaluation, number evaluated, number pending, examiner-wise and trade-wise evaluation status, flags for delays, etc. The system shall also enable filtering, sorting and downloading of reports at State, trade, institute, centre and examiner levels.
- 8.1.2.14 **CCTV Installation and Recording:** The CCTV surveillance must be made functionally available in such a way that all candidates are covered under the surveillance setup in all the Exam Centres without any blind spots. In addition, the CCTV feed should also cover entry/ exit points, staircase, registration area, frisking area, centre control room, server room, and centre-incharge room.
- 8.1.2.15 **CCTV footage** shall be available on a central system and the recording must be kept safe for at least **6 months** from the date of examination. The recordings may be provided to DGT as and when required. The approval for deletion of the data may be taken from DGT before deletion.
- 8.1.2.16 **All** Examination Venues will be covered with CCTV surveillance. CCTV camera must capture Examination Venue activities from 30 minute before the examination to 30 minutes after the completion of examination.

8.1.3 Candidate Management

- 8.1.3.1 Candidate handling process
- 8.1.3.2 Mapping of candidates details with Exam Centers
- 8.1.3.3 Validation and verification of identity
- 8.1.3.4 Attendance handling
- 8.1.3.5 Machine/seat allocation and handling of security parameters
- 8.1.3.6 The selected bidder shall allow candidates to appear for exam at Exam Centre through pre-allotted random seat/machine.
- 8.1.3.7 The candidate registration/ enrollment is available on DGT SIDH Portal, the selected bidder shall facilitate transfer of this data (including candidate photograph) using **API/** software interface to their systems for further processing.
- 8.1.3.8 The selected bidder shall transfer the candidate exam centre and exam day & time mapping data to SIDH portal through **API/Software** interface for Hall Ticket Generation.
- 8.1.3.9 The selected bidder shall ensure that the candidates' signature of the candidate is taken on the specific space in the attendance sheet with candidates' photographs printed on them. The candidates' photographs will be provided to the examination agency from DGT's SIDH portal through API.
- 8.1.3.10 The selected bidder/ SP shall arrange/provide adequate displays and provide required instructions/ information to the candidates appearing for exam at Exam Centers.
- 8.1.3.11 The Selected bidder must ensure that there is proper facility available at the exam center for keeping the belongings of the trainees safe and trainees shall not be charged for the same.

8.1.4 Question Bank Management and Examination Paper

- 8.1.4.1 DGT shall provide 'Question Bank' to SP for each trade in excel format. Name of trade, subject, chapter, difficulty level and percentage of questions to be asked from each chapter shall be defined along with each question.
- 8.1.4.2 **Translation to Regional Languages and Storage:** The DGT shall translate the question bank into regional languages as applicable for the State or Union Territory and provide the same to SP. The SP shall in a secure manner store the question bank in English and Regional Languages as applicable on their software servers.
- 8.1.4.3 **Question Paper Creation:** The SP shall enable their software to create question paper for each trade/ subject on an on-demand basis, in English and regional languages as desired by the state/candidate. The software should be able to create question paper by randomly selecting questions from 'Question Bank' for applicable trade/ subject. The number of questions and distribution from each module and difficulty levels to be included for the trade subject shall be provided by DGT.

8.1.5 Exam Paper and Mock Test

- 8.1.5.1 Any other processes related to conduct of Examination including preparation of pre-examination mock test and practice modules for potential candidates to be hosted on 24/7 operational servers and conduct of practice sessions for the online examination.
- 8.1.5.2 The SP shall provide a facility to candidates for static mock link for mock test during the entire course of agreement.
- 8.1.5.3 The same facility should also be available online to be run through web server, and in offline manner through Software Application. The mock test should be a replica of the examination software.

- 8.1.5.4 The selected bidder shall securely install and implement Question Bank in English, Hindi and other regional languages applicable for the state/ region (*refer Annexure III* for list of languages in which the question paper would need to be hosted by SP) for mock test.

8.1.6 Pre-examination Audit Trails

The SP shall conduct and co-ordinate with DGT or its office for all Audit Trail related activities at the examination venues before the exam to ensure compliance with conditions of the RFP related to examination center.

Pre-examination audit of all examination venues shall be done on parameters such as zero black-spot on CCTV coverage, testing of examination system including Mock Examination portal and offline Mock Examination software/ application with multi- threading/multi-user testing on full load.

Audit shall include processes, assets, security, manpower and any other specification elicited in the RFP document.

The SP must allow the DGT appointed third party for audit of all processes, assets, security, manpower, examination centres, examination logs, CCTV footage etc.

8.1.7 Third party Audit

DGT on its own or may deploy an independent agency for audit of pre/during/post exam activities and SP shall provide all data including logs, trail, CCTV footage/video, documents, clarifications etc. to audit agency through DGT without undue delay as per requirement of the audit agency. SP shall also promptly extend all required help in monitoring and resolving any issues in consultation with DGT. The general requirements of data for **audit purpose are specified as below:**

The SP shall work closely with the auditors for smooth, transparent and timely conduct of the exam. Following are the responsibilities of the SP:

- 8.1.7.1 Provide detailed understanding of the technical architecture, process followed in conduct of exam, data flow and data understanding to the auditor before the start of exam.
- 8.1.7.2 Provide timely details of the exam Venue Head/Centers Coordinators (contact number, authorization, etc.) to auditors.
- 8.1.7.3 Provide timely access to exam center premises for pre-exam audit.
- 8.1.7.4 Timely mitigate (before exam start) the critical observations identified by auditors during pre-exam center audit to the satisfaction of DGT
- 8.1.7.5 Provide electronic data as identified in the point 8.1.7.11. Sub point i (click by click of candidate audit log) of data requirement mentioned in the point 8.1.7.11 is to be provided at end of every exam day. All remaining data should be provided within 1 week after the close of the last shift of the exam. Please note that in case some of the data is not available, all efforts should be made to collect and share the data.
- 8.1.7.6 The observations related to pre, during or post exam should be mitigated to the satisfaction of DGT
- 8.1.7.7 The data should be made available to DGT in a secure manner. All processing of the data provided by the SP would be performed by DGT at their premises.
- 8.1.7.8 Provide access to the auditor "during exam" at the exam center as independent observers.
- 8.1.7.9 For sample machines and network switches in exam center identified by the auditors, facilitate download of application logs, or other system settings after the exam is over.
- 8.1.7.10 All the data outlined in the point 8.1.7.11 should be captured electronically and to be

extracted in presence of the auditors for the purpose of validation.

8.1.7.11 Following electronic data is to be provided by SP:

- i. Raw dump of click-by-click activity log of candidate during the exam with timestamp. The dump should include all activities captured by the application, for example, exam start activity, questions explored, options selected, response submitted for questions, break time, resume of exam, visit to various question paper sections/questions, exam end time, incidents during exam, etc.
- ii. Raw dump of click-by-click activity log of IT Manager/personnel on the server (at exam center) used for conducting the exam, with timestamp. This data should be shared from both primary and backup server and should include all the activities, for example, set up of the exam, question paper download time, conduct of exam, marking of attendance, time for end of exam and exam data upload to a central server, deletion of exam data from the computers, other user activities performed on the servers (application logs, application / services running, operating system event logs, remote logins, etc.).
- iii. Dump of services and applications running on the attendance/registration system, and IT manager computer.
- iv. Raw incident log dump of the exam application on node used for delivery of the exam (should include all events for example, hardware events, network events, software events, etc.)
- v. Seating plan of candidates (exam center, room number, seat number, node IP, node MAC, similar details in case of change of node, etc.)
- vi. Final score computed for the candidates.
- vii. Log of system or power issues or any other technical/non-technical incident that occurred during exam including historical incidents.
- viii. Log of any issues with the Firewall or exam software
- ix. Configuration (OS, RAM, MAC address, IP address, screen resolution, printer settings, sleep mode settings, antivirus policy, services running, applications installed, hardware installed, etc.) of the servers used to conduct the exam at center and nodes on which candidates give the exam.
- x. Details of exam centers and their total capacity in terms of seats and nodes
- xi. Report of health check/IT audit of machines as well as physical infrastructure audit of centers
- xii. List of whitelisted websites and applications on primary server, backup server, and candidate nodes
- xiii. Biometric registration data, report which includes candidate details, time stamps and center details
- xiv. Log of exam data received at a central server with timestamp.
- xv. Log of connections made to the exam center servers from the central server or Head office (network log of connections made).
- xvi. Provide any other data as per requirement of DGT connected with the particular exam.

8.1.8 General

8.1.8.1 All pre-examination phase processes shall be carried out by the selected bidder in consultation with DGT.

8.1.8.2 The selected bidder will have to carry/ demonstrate Complete Test Run (CTR) with test data to DGT before implementation of the software. The selected bidder should also be able to demonstrate click by click audit trail for any type of enquiry.

8.1.8.3 The selected bidder should also be able to demonstrate Application server logs to capture all errors, warnings and exceptions that are generated in applications along with the time at which they occurred.

8.2 Examination Phase

8.2.1 Infrastructure, Attendance and Invigilation

8.2.1.1 The selected bidder shall make necessary arrangements, in consultation with DGT, for providing adequately trained manpower as per the requirements mentioned below:

Staff Type	Nos. deployed (per shift)
Exam Center Administrator	01 per center
IT Manager	01 per center/ 01 for every 100 candidates whichever is higher
Invigilators	01 for every 50 candidates
Support Staff	01 for every 100 candidates
Security Guards	01 or more per center

8.2.1.2 The above staff should be increased proportionately on the basis of size of the center in terms of nodes for exam. In addition, service provider should provide a State and District Head for each of the locations of examination. The staff deployed at the examination centre **must not be** an instructor/guest faculty/Professor from any Industrial Training Institutes (ITIs)/ Polytechnic/Engineering College etc. The selected bidder/ SP shall ensure checking of admit card of the candidates, and photo-ID of candidate i.e. Government Issued photo ID or ID issued by enrolling ITI/NSTI/Establishments at the entrance gate of the examination center. The Attendance sheet must have photograph of candidate for validation at exam center.

8.2.1.3 There must be adequate spacing between two adjacent seats. Service provider should arrange for partition of appropriate size between adjacent seats.

8.2.1.4 The selected bidder shall obtain candidate's feedback through online Feed Back Form, after the examination is over.

8.2.1.5 The selected bidder shall ensure availability of proper security, frisking (Hand Pat) at the examination centres. Separate frisking facilities for female candidates. Only Female staff will frisk the female candidates. Female frisking process should be conducted in a three-side covered enclosure.

8.2.2 Photograph Quality Check

The examination agency should identify candidates who are not adhering to DGT prescribed photograph standards, six months before examination. DGT wants to assess uploaded photograph quality (blur, exposure and noise), recent age photo, gender in photograph matches with the candidate gender, occlusion of any kind, human photograph, single person in the photograph, and face area should be as per standard.

8.2.2.1 The results of the above should be provided to the DGT within 1 week after sharing of data by DGT.

8.2.2.2 The accuracy for all the components of the solution should be more than 90%.

8.2.2.3 The confidentiality of data is very important and therefore, it would be the responsibility of the agency to maintain data security of highest standards, complying with applicable Government of India data security rules.

8.2.3 App-based Candidate Photograph Attendance and Verification

The Service Provider (SP) shall provide and maintain an AI/ML-based facial recognition and geofencing technology based mobile application for real-time verification and geofenced attendance of the candidate appearing in person for Practical, CBT and Engineering Drawing (ED) examinations with the photograph available on the candidate's Hall Ticket or as retrieved from the DGT portal through QR code scanning. The solution shall support one-to-one (1:1) facial comparison to verify candidate identity at the examination venue with following features:

- 8.2.3.1 The application shall enable authorized examination personnel through login to capture live photograph of the candidate at the venue and the application shall automatically compare the same with the reference photograph and examination centers' coordinates for verification and attendance.
- 8.2.3.2 Minimum face match accuracy of 90% should be ensured.
- 8.2.3.3 On-device or secure server-side processing with encryption of image data, complying with applicable Government of India data security rules.
- 8.2.3.4 Provision for displaying match score/result (match / non-match / manual review) to authorized users only, without exposing sensitive biometric data.
- 8.2.3.5 Generation of time-stamped logs, geo-tagging, user authentication details and audit trails for each verification attempt.
- 8.2.3.6 The Service Provider (SP) shall ensure that the outcome of the face recognition-based verification is transmitted to DGT's Skill India Digital Hub (SIDH) portal in real time through secure APIs. The verification response shall be recorded in the form of "Present" in case of a successful facial match and "Flagged" in case of a non-match or where the candidate is not verified/absent. Based on this real-time status, the SIDH portal shall permit entry of examination marks only for candidates marked as "Present".
- 8.2.3.7 The SP shall ensure that the application is scalable to handle concurrent verifications across multiple examination centres and shifts, integrates seamlessly with DGT systems as specified above, and remains operational throughout the examination lifecycle. Adequate training and technical support shall be provided to examination functionaries for effective usage of the application.

8.2.4 Conduct of Examination

- 8.2.4.1 The Examination shall be computer based with the questions (English **and** Hindi/ regional language, *refer Annexure III*) being provided onscreen on a random basis, without any manual intervention.
- 8.2.4.2 Sufficient time of about 30 minutes shall be allotted before the exam for providing orientation to the candidates on the structure of the exam, time limits and guidelines for answering the question papers.
- 8.2.4.3 Key Minimal Requirements with respect to user interface/ exam software functionalities is provided in table below:

- a. **Display of Candidates Details:** Computer based exam software should support standard features such as display of details of candidates i.e. display of candidates photograph, registration number of candidates, and name of trade/ subject for the entire duration of the exam.
- b. **Duration and Time Remaining:** The duration of the exam shall be displayed at commencement of exam in the instruction sections. The start-time and time remaining counter shall be displayed at all time during the examination
- c. **Instructions for Examination:** The system shall display clear instructions (in English and Hindi/ regional language) as applicable for the examination upon starting of the test.
- d. **Summary of Attempts/ Navigation Pane:** The software must provide a summary of questions attempted by candidate, remaining questions, and flagged questions. It should allow the candidate to easily navigate to a particular section or answered/unanswered question.
- e. **Randomization of Questions/ Answers:** The questions and the answers should be randomized/ jumbled for each candidate appearing in the same subject and same shift. The system must ensure that options such as 'All of the above' in multiple choice questions are correctly sequenced and not jumbled.
- f. **Position of Images linked to Questions:** System must insure that references in questions such as 'In the table below' or 'in the image above' are consistent across the question paper and displayed appropriately.
- g. **Saving Exam Progress:** Examination software must have 'Exam Resume' functionality, whereby candidates' examination progress will not be lost in-case of system or power failures.
- h. **Bilingual Question Paper:** Examination software/ interface must allow switching between Hindi, English and other regional language as applicable for the state/ UT for the entire question paper or selected question
- i. **Use of standard/ Proprietary Font and Enlargement:** Examination software must use standard or proprietary fonts in a manner that does not degrade the readability of the question paper. Software must allow user to zoom the examination screen to enlarge fonts/ screen content
- j. **Disable other systems functionalities:** Examination software must disable other system feature such as usage of internet browser, pen drive, file sharing through LAN or any other means of malpractices/ cheating.

- 8.2.4.4 The examination software/ system must generate and display question paper for the desired trade/ subject from the question bank provided by DGT.
- 8.2.4.5 While selecting the questions from the question bank system should ensure that questions selected for various examinations shifts are randomized manner to minimize duplicity of the questions in question paper.
- 8.2.4.6 Uninterrupted power should be made available for the period of each session and for 30 minutes prior to and after each session on the day of examination.
- 8.2.4.7 The SP shall provide for any other raw materials required such are paper, and pencil for calculation etc.
- 8.2.4.8 The selected bidder shall have a contingency plan for candidate management/Shifting in case of any emergency. The shifting must be supplemented with additional measures including informing candidates, transporting candidates by arranging suitable vehicles at both centres, arranging refreshments, and any other measures, etc.
- 8.2.4.9 At the end of the exam, transfer/export of candidate response and audit trails shall be done by the selected bidder on secured channel from local server to central server of the selected bidder within 24 hours from each exam center.

- 8.2.4.10 Note – Following shall be made available by the DGT:
- 8.2.4.11 Question Bank for online and offline practice/mock test purposes, and for the conduct of examination
- 8.2.4.12 Question Paper format defining number of questions from each topic and difficulty levels to be included in the examinations.
- 8.2.4.13 Rules/guidelines/marking scheme

8.3 Evaluation / Post examination Phase

- 8.3.1 The selected bidder shall calculate marks obtained by each candidate in respective exam and provide the same to DGT for review/ moderation if any. The SP should be able to upload the marks of the trainees for **CBT as well as Engineering Drawing (ED)** in DGT SIDH Portal through dedicated **API** for the same. If required, the SP shall be able to publish the same online accessible by providing candidate enrollment number.
- 8.3.2 The selected bidder shall provide a web-based facility for hosting individual candidate response sheets for **CBT exam and scanned answer sheets for Engineering Drawing (ED)** after completion of the examination. The response sheet shall clearly display each question, the options provided, the option chosen by the candidate, and the correct answer/key for that question. The system shall be capable of handling concurrent access by a large number of candidates without performance degradation.
- 8.3.3 The selected bidder's software must have provision for elimination of any incorrect/ out of syllabus questions while evaluation. DGT shall provide/ facilitate for listing such questions post examination. The system must also be able to normalize marks and accommodate for providing grace marks as per limits set by DGT. The candidate's responses, photograph, audit trails should be uploaded automatically from the local server to the selected bidder's data center in a secured manner. There should not be traces of any data pertaining to candidate whatsoever post uploads left on the exam server/ local server/ or exam machines.
- 8.3.4 The selected bidder should be able to hand over the responses/data to DGT immediately (same day) after the candidate's response upload from local exam server. The software should have capability to take the answer key post examination. The data also need to be uploaded to a server at the Master Control Facility of service provider.
- 8.3.5 The selected bidder shall provide attendance data of all the candidates captured during examination, for verification purposes.
- 8.3.6 The selected bidder shall collect and consolidate all examination-related data, including log files of servers and firewalls, and preserve them for **at least one year in multiple geographical locations**.
- 8.3.7 The selected bidder shall provide documented inputs and support for handling
1. Candidate's queries
 2. RTI queries
 3. Court Cases
- 8.3.8 **Test Data Archiving:** The selected bidder should be able to record and backup each candidate's response after the examinations. The selected bidder shall archive the result, candidates' response sheets, scanned copies of candidates' Engineering Drawing answer sheets and other examination data for future references for at least **one year**. Before destroying the data approval for same may be taken from DGT.
- 8.3.9 After the generation of result Bidder have to develop API/software/application to directly upload the scores at DGT SIDH portal.
- 8.3.10 The selected bidder shall provide Post Examination Analytics Report in the following manner:
- a) Item analysis of MCQ responses of the candidates (difficulty index and discrimination index

- etc.) as per requirements of DGT.
- b) Student performance Analysis;
 - c) Analyze audit logs and provide summary of audit logs like number of clicks, time log, MAC, IP address etc.
 - d) To provide analysis report regarding proxy candidates, unfair means, and forensic analysis to identify suspicious activities like peeping, cheating, copying, malpractices, impersonation, and anomalies in response patterns.
 - e) Any other reports by analyzing the data stored, whenever required by DGT

8.4 Re-examination and Supplementary Exams

- 8.4.1 All re-examinations shall be conducted within 15 days of completions of exams or as decided by the DGT.
- 8.4.2 Supplementary examinations shall be conducted on a half-yearly basis/ yearly as scheduled by the DGT.

9. Pre-Qualification Documents List and Formats

S.No.	Parameter	Eligibility Criteria	Supporting Document/s (to be submitted by bidder)	Form No. (as applicable)
1	Legal Entity	<ol style="list-style-type: none"> i. A company incorporated in India under the Companies Act, 2013 and subsequent amendments thereto (Firm/LLP/ Govt./PSU) should have registered offices in India and should be in existence for at least the last Five (5) financial years, as on 31 March 2025. ii. Should have GST Number iii. Should have a valid PAN Number iv. Consortium / Joint venture bid not allowed. 	<ol style="list-style-type: none"> 1. Copy of Certificate of Incorporation and Copy of Memorandum of Associations (MOA), Articles of Association (AOA) 2. GST Registration Copy 3. PAN Card copy 	
2	Financial Turnover	The bidder should have minimum annual average turnover of INR 70 (Seventy) crores from online examination/ assessment business last three financial years (i.e. 2022-23, 2023-24 and 2024-25)	4. Certificate from the Chartered Accountant along with the copies of audited Balance sheet for last three years.	Form A
3	Financial Strength	Bidder should have positive Net Worth for the last three financial years (i.e. 2022-23, 2023-2024 and 2024-2025).	5. Certificate from the Chartered Accountant for Positive Net Worth	
4	Infrastructure	The bidder should have offices in at least 5 states/ UTs across India	6. Registered office registration certificate from authorities or relevant Govt.

To,

Director (TTC),
Directorate General of Training,
Ministry of Skill Development & Entrepreneurship,
7th Floor, Kaushal Bhawan, New Moti Bagh,
New Delhi 110023

Madam,

In response to the **“REQUEST FOR EXPRESSION OF INTEREST (REOI) For Selection of Service Provider to Conduct End-to-End Computer Based Test and Engineering Drawing Examination for various schemes of Directorate General of Training”**, I/We hereby declare that presently our Company/Service provider is having unblemished record, related to examination business in India, is neither blacklisted nor debarred by any PSU or Any Regulatory Body or Government of India or State Government or any of its agencies for any reasons whatsoever or for indulging in corrupt or fraudulent practices or for indulging in unfair trade practices.

Thanking you,

Yours faithfully,

Name of the Bidder

Authorized Signatory

Seal of the Organization

10 Declaration of Shortlisted Service providers

- 10.1 EOIs of Service Providers that succeed in the above evaluation shall be shortlisted.
- 10.2 Such shortlisting shall remain valid for a period of six months from the date of declaration.
- 10.3 Only shortlisted Service Providers shall be invited to participate in the following RFP process. If there are a larger number of Service Providers meeting the evaluation criteria, the shortlist shall be restricted to eight (8) Service Providers based on higher Average Turnover of last three financial years.
- 10.4 The name and address of the shortlisted service provider (s) shall be published in the website of the DGT. All Service Providers shall be advised about shortlisting of their EOIs or otherwise without disclosing the comparative position of their EOIs with that of others. Shortlisted Service Providers must not advertise or publish the same in any form without the prior written consent of the DGT.
- 10.5 Shortlisting a service provider is an administrative process and does not confer any legal or contractual rights on him.

11 Publication of RFP following this EOI

- 11.1 The DGT shall publish a Request for Proposal (RFP) addressed exclusively to shortlisted Service Providers for the following procurement process through the Central Public Procurement Portal (CPPP).
- 11.2 Such Service Providers shall be responsible for being on the lookout for the RFP on the portal. While publishing the RFP, the Procuring Entity reserves its right to elaborate further on the brief overview of the proposed procurement/scope of work, qualification Criteria and other terms & conditions without vitiating the shortlisting process. Shortlisted Service Providers shall have no claim in this regard.
