Subject: Minutes of Meeting for grievances received regarding the de-affiliation of trades/units of 3rd Shift which are not converted to Dual System of Training mode reg.

Madam/Sir,

Reference is invited to DGT letter No. DGT-Aff0misc/19/2022-TC SECTION dated 30.04.2026 (attached), whereby the Directorate General of Training (DGT) de-affiliated approximately 15,618 third-shift units that had not been converted to Dual System of Training (DST) mode despite being provided an opportunity for four years.

2. Further, the affected Industrial Training Institutes (ITIs) were given an opportunity to submit their grievances within 30 days from the date of de-affiliation through the online grievance portal.
3. Accordingly, a total of 661 grievances were received from the affected ITIs by the prescribed deadline of 30.05.2026. All the grievances received were examined by the

Grievance Redressal Committee (GRC) in its meeting held on 23.06.2026. The recommendations/decisions in respect of 130 grievances were published on 07.07.2026. The recommendations in respect of the remaining 531 grievances are placed at Annexure-A for kind information and further necessary action.

4. This issued with the approval of the competent authority.

The Hindi version will be issued separately.

Yours faithfully

1	Andhra Pradesh	GR28000465	AP/D/3/2026/1172	TERLI PRIVATE ITI GR28000465	Respected Sir/Madam, Our 3rd Shift Units were de -affiliated citing non-conversion into DST mode as per the order referred above, in this regard, we respectfully submit the following: 1) DGT's earlier instructions directed that 3rd Shift units must be converted to DST mode before the 2026-27 session. 2) As per Affiliation Norms 2025, the application for conversion of 3rd Shift into DST mode can only be submitted through the NIMI Affiliation Portal. 3) The NIMI Affiliation portal for session 2026-27 is not yet live. DGT has indicated that the portal will become operative only from July/August 2026 as per new affiliation norms 2025. Therefore, ITIs have no opportunity to submit the online application for conversion for the ensuing session 2026-2027, despite being willing to comply. In view of the above, we request you to: 1) Continue the affiliation of our existing 3rd shift units for session 2026-2027 to enable admissions as per local demand and 2) Grant an additional period of two years for conversion of 3rd Shift units into DST mode. We hope our genuine request will be considered favorably in the interest of ITI Management, trainees and skill development. Thanking you in anticipation. With Respectful Regards. (letter Attached)	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. However, the concerned ITIs have been provided time up to 30.09.2026 to convert all non-DST 3rd Shift units into DST mode through the prescribed procedure. In case of failure to complete the conversion by the stipulated date, all such non-DST 3rd Shift units shall be de-affiliated, and no admissions shall be permitted against these units from the academic session 2027 onwards.

I wish to bring the following lines for your kind consideration and sympathetic action. The principal's attitude create this present situation. In fact we had all required documents at hand for conversion of 3rd shift to DST. We lost 2 units in Fitter trades during COVID pandemic because of zero admissions in 2 consecutive year and if 3rd shift (4 unit) is de affiliated. We will be at heavy loss and unable to meet the running expenditure i.e., salaries, rent, maintenance and etc. Kindly give us time for one more year for conversion to DST mode for which I will be gratefully to you sir. 39	Gujarat	GR24008082	GJ/D/1/2026/1000	Vanthali GR24008082	Respected Sir/Madam, With due respect, it is submitted that at Industrial Training Institute Vanthali, the required MoU with industry partner has already been executed under the Dual System of Training (DST) for Fitter Trade Shift-3 Unit-1, and the process of conversion from CTS to DST is currently under progress. However, in the de-affiliation list published by DGT dated 30/04/2026, the above-mentioned unit of our institute has been shown as de-affiliated, which does not correspond with the actual DST MoU status of the unit. It is also pertinent to mention that our institute is included in the list of 814 MoUs circulated by the State Office (Sr. no. 716) - kindly consider it for shift 3, unit 1. Therefore, it is requested that the de-affiliation of Fitter Trade Shift-3 Unit-1 of our institute may kindly be reconsidered and cancelled, and the affiliation of the said unit may be continued. Further, regarding Mechanic Diesel Trade Shift-3 Unit-1 mentioned in the de-affiliation list, it is clarified that the said unit had already been surrendered by the institute earlier. In lieu of the surrendered unit, a new batch of Health Sanitary Inspector trade has already been started. Therefore, necessary consideration may kindly be given regarding the said Mechanic Diesel unit. 112	Gujarat	GR24008169	GJ/D/1/2026/1606	Government ITI Virpur GR24008169	Subject: Formal Representation and Grievance regarding the De-affiliation of 3rd Shift Units at Govt. ITI Virpur (GR24008169). Reference: Directorate's Order File No. DGT-Aff0misc/19/2022-TC SECTION dated 30.04.2026. Respected Committee Members, This representation is submitted by Govt. ITI Virpur (GR24008169) in response to the de-affiliation order issued on April 30, 2026. According to Annexure-B of the order, five units in our institute's 3rd shift—specifically for the trades of Computer Operator and Programming Assistant (COPA), Wireman, Mechanic Diesel, Fitter, and Welder—have been de-affiliated with immediate effect due to non-conversion to the Dual System of Training (DST) mode. We fully recognize the Directorate's mandate, established in communications dated 09.01.2023 and 24.06.2024, which requires all 3rd shift units to operate exclusively under DST mode. Govt. ITI Virpur is deeply committed to this transition. We wish to officially inform the Committee that, prior to the issuance of the de-affiliation order, our institute had already initiated the conversion process. We have successfully executed Memorandums of Understanding (MoUs) with eligible industry partners to run the following trades in DST mode starting from the academic session 2026: 1. Fitter (NSQF) – Shift 3, Unit 1 2. Welder (NSQF) – Shift 3, Unit 1 3. Mechanic Diesel (NSQF) – Shift 3, Unit 1 The MoU has been enclosed with the grievance for the ready reference for the Subject: Representation against De-affiliation of 3rd Shift Unit for Electrician Trade at Govt. ITI Ghogha (MIS Code: GR24000312). Reference: IDGT Order No. DGT-Aff0misc/19/2022-TC SECTION dated 30.04.2026. 2.814 DST MoU Data (26.02.2026) – Sr. No. 458. Respected Sir/Madam, With reference to the subject cited above, I, the Principal of Govt. ITI Ghogha, Gujarat, wish to submit a formal grievance regarding the de-affiliation of the 3rd shift Electrician unit at our institute as listed in Annexure-B of the DGT order dated 30.04.2026. We would like to bring the following facts to the committee's notice for the restoration of the unit's affiliation: •Existing Valid MoU: Govt. ITI Ghogha has already entered into a valid Memorandum of Understanding (MoU) with GSRTC BHAVNAGAR for the implementation of the Dual System of Training (DST) for the Electrician trade. •MoU Details: The current MoU was initiated on 17.07.2025 and is valid until 16.07.2028. This agreement was made specifically to fulfill the DGT requirement of converting 3rd shift units into DST mode. •Compliance Status: ITI Ghogha is officially recognized under the DST format with appropriate industry linkage. As •Administrative Action: We have already communicated the details of this industry tie-up and the progress of the CTS to DST conversion to the Regional Director's Office (RDD).	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. With due respect, we submit that our institution is keen and fully prepared to implement the Dual System of Training (DST) scheme, with one DST unit in each eligible trade, and for 3rd shift in Tool and die maker trade In this regard, we respectfully submit the following for your kind consideration: Our institution has consistently complied with all directions issued from time to time and has submitted applications for implementation of DST whenever called upon by the State Directorate. We have already entered into Memorandums of Understanding (MoUs) with 13 industries for implementation of DST and industry collaboration. Copies of the same are enclosed herewith for reference. We were among the first institutions to immediately implement DST for the third shift in the Tool and Die Maker (TDM) trade after issuance of the relevant orders permitting DST in third shift by default. Inspections relating to DST implementation were conducted by the competent authorities; however, no formal communication regarding recommendations or approval status has been conveyed to us till date. Our institution is a reputed 32-year-old ITI imparting training in major technical trades, particularly the Tool and Die Maker trade, wherein practical industrial exposure is of utmost importance. The DST scheme is extremely beneficial to trainees in enhancing employability, technical competency, and industrial readiness. It is pertinent to mention that many of our trainees have been absorbed by reputed industries. Several former trainees have also successfully established their own industrial units. Detailed records may be furnished if required. 233	Madhya Pradesh	PR23001072	MP/O/1/2026/995	Satpuda Private iti	We would like to submit our grievance regarding the de-affiliation of our 3rd shift trades, which, as per applicable provisions and our institutional readiness, should have been converted into Dual System of Training (DST) instead of being de-affiliated. Our institute has established strong industry linkages through formal MoUs with multiple companies for implementation of DST and skillbased industry exposure. We have been consistently sending our ITI students for On-the-Job Training (OJT), internships, and industry visits as part of practical skill development. In addition, we regularly conduct placement activities and maintain active collaboration with various companies for student employment opportunities. We have been regularly applying to the nodal ITI for DST conversion for the last three years and have continuously followed up by submitting all the required documents, including MoUs, industry collaboration details, student training records, and other relevant compliance documents, within the stipulated timelines. Our institute fully meets the operational requirements for DST implementation and has consistently demonstrated strong industry engagement. Despite fulfilling all prerequisites and repeatedly applying for DST conversion, our 3rd shift trades were de-affiliated, whereas they should have been considered for conversion into DST mode. This decision adversely affects student admissions, training continuity, and employment opportunities for aspiring candidates. We therefore request the concerned authority to kindly review our case, reconsider the de-affiliation decision, and approve the conversion of our 3rd shift trades into Dual System of Training (DST) in the interest of skill development, industry integration, and student career progression. 254	Madhya Pradesh	PU23000298	MP/O/1/2026/1479	SATPUDA ITI KUNDIPURA CHHINDWAD A PU23000298	We would like to submit our grievance regarding the de-affiliation of our 3rd shift trades, which, as per applicable provisions and our institutional readiness, should have been converted into Dual System of Training (DST) instead of being de-affiliated. Our institute has established strong industry linkages through formal MoUs with multiple companies for implementation of DST and skill-based industry exposure. We have been consistently sending our ITI students for On-the-Job Training (OJT), internships, and industry visits as part of practical skill development. In addition, we regularly conduct placement activities and maintain active collaboration with various companies for student employment opportunities. We have been regularly applying to the nodal ITI for DST conversion for the last three years and have continuously followed up by submitting all the required documents, including MoUs, industry collaboration details, student training records, and other relevant compliance documents, within the stipulated timelines. Our institute fully meets the operational requirements for DST implementation and has consistently demonstrated strong industry engagement. Despite fulfilling all prerequisites and repeatedly applying for DST conversion, our 3rd shift trades were de-affiliated, whereas they should have been considered for conversion into DST mode. This decision adversely affects student admissions, training continuity, and employment opportunities for aspiring candidates. We therefore request the concerned authority to kindly review our case, reconsider the de-affiliation decision, and approve the conversion of our 3rd shift trades into Dual System of Training (DST) in the interest of skill development, industry	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. Respected Sir/Madam, With due respect, it is submitted that our institute's 3rd Shift Units have been de-affiliated due to non-conversion into Dual System of Training (DST) mode. As per the issued instructions, operation of 3rd Shift Units is permitted only under DST mode. We sincerely intend to convert our 3rd Shift Units into DST mode. However, we are facing practical difficulties in establishing Industry Linkages and executing MOUs with industries within the prescribed time frame. Many industries require additional time and flexibility before entering into MOUs with ITIs. Therefore, we humbly request the following: 1. Kindly grant additional time to our institute for conversion of the 3rd Shift Units into DST mode 2. Necessary relaxation and simplification in MOU-related norms may kindly be provided so that industries can easily collaborate with our institute. 3. Our institute may kindly be given one final opportunity to complete the DST conversion process before any permanent action is taken. 4. The 3rd Shift Units may not be permanently de-affiliated without providing us a reasonable opportunity for compliance. 5. The de-affiliation order may kindly be kept in abeyance/reconsidered until the grievance is properly examined. 274	Madhya Pradesh	PU23001067	MP/D/1/2026/1467	ROYAL PVT ITI PU23001067	Subject: Grievance regarding conversion of 3rd Shift Units into DST Mode and request for relaxation in timeline and MOU norms. Respected Sir/Madam, With due respect, it is submitted that our institute's 3rd Shift Units have been de-affiliated due to non-conversion into Dual System of Training (DST) mode. As per the issued instructions, operation of 3rd Shift Units is permitted only under DST mode. We sincerely intend to convert our 3rd Shift Units into DST mode. However, we are facing practical difficulties in establishing Industry Linkages and executing MOUs with industries within the prescribed time frame. Many industries require additional time and flexibility before entering into MOUs with ITIs. Therefore, we humbly request the following: 1. Kindly grant additional time to our institute for conversion of the 3rd Shift Units into DST mode. 2. Necessary relaxation and simplification in MOU-related norms may kindly be provided so that industries can easily collaborate with our institute. 3. Our institute may kindly be given one final opportunity to complete the DST conversion process before any permanent action is taken. 4. The 3rd Shift Units may not be permanently de-affiliated without providing us a reasonable opportunity for compliance. 5. The de-affiliation order may kindly be kept in abeyance/reconsidered until the grievance is properly examined.	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. This specific trade was established under a tripartite Memorandum of Understanding (MoU) between the Government of India, the Government of Maharashtra, and Dassault Aviation. As per the original MoU, the sanctioned units are structured as 1+1+1 across Shift 1, Shift 2, and Shift 3. We would like to bring to your kind notice that we have had detailed discussions with Dassault Aviation regarding this matter. They have formally expressed their willingness and readiness to implement the Dual System of Training (DST) for this unit. Furthermore, the representatives from Dassault Aviation are already in communication with DGT officials to facilitate and align this process. Given the high strategic value of this industry-backed trade and the direct involvement of Dassault Aviation in upgrading the training standards, the de-affiliation of the 3rd unit will deeply affect the trainees and the objective of the MoU. Therefore, we earnestly request you to review this matter and reconsider the de-affiliation order, allowing us to restore and run the 3rd unit under the DST framework. In addition to this, an official proposal regarding this matter has already been formally submitted and forwarded to the DGT through our Head office for your review and approval. 281	Maharashtra	GU27000015	MH/D/1/2026/1549	GOVERNMENT INDUSTRIAL TRAINING INSTITUTE JALGAON GU27000015	As above cited with reference to the subject mentioned above, it is respectfully submitted that as per the Government Resolution No. ITI-2009/(14/09)/VC-3 dated 26 June 2009 , approval had been granted to start a total of 18 units in the 3rd shift in this institute for the following trades: (1) Electronics Mechanic -1 unit (2) Machinist- 3 units (3) Computer Operator And Programming Assistant – 1 unit (4) Refrigeration And Air-conditioning -1 unit (5) Mechanic Motor Vehicle – 1 unit (6) Tool and Die Maker (Jigs and Fixture) – 1 Unit (7) Tool and Die Maker (Dies and Mould) – 1 Unit (8) Mechanic Machine Tool Maintenance – 1 unit (9) Electrician – 2 Units (10) Machinist Grinder - 2 Units (11) Turner – 2 Units (12) Fitter - 2 Units As per your reference Your letter dated 30/04/2026 , it has been informed that the said units are Non-DST and therefore action for de-affiliation is being initiated. Further, as per reference Letter No. V.E AND T/RO/PRN/TRAINING/K-1/2026/2062 dated 04/05/2026 from the Joint Director , instructions were issued by the Joint Director, Nashik, to submit a proposal for DST along with MOU for the said 18 units. According, to instruction of higher office proposals of trade-wise and establishment-wise MOU for DST training for all 18 units in the 3rd shift were submitted by this institute to the higher office vide reference This office letter No. ITI/EST / 2026/2085 dated 16/05/2026. Since from the approval were granted for these 18 units, admissions have reached 100% occupancy in these all trades. Moreover, excellent employment opportunities are available for trainees in these trades in the Jalgaon MIDC area. Therefore, it is humbly requested that do not de-affiliate of all 18 units running in the 3rd shift of this institute in the interest of Government Industrial Training Institute, Chhatrapati Sambhajinagar (Institute Code: GU27000016) respectfully submits this grievance regarding the de-affiliation of one unit each of Turner and Wireman trades as communicated vide DGT letter dated 30.04.2026. As per the said communication, the above units have been de-affiliated on the grounds that they have not been converted into Dual System of Training (DST) units as per DGT guidelines. In this regard, it is submitted that the Institute has already initiated the process for conversion of these units into DST mode. A detailed proposal for conversion of the Turner (Third Shift) Unit and Wireman (Third Shift) Unit into Dual System of Training has been duly submitted to DGT through the Directorate of Vocational Education and Training, Maharashtra State, Mumbai, for approval. The Institute has been continuously taking efforts to implement DST in accordance with DGT norms and has completed the necessary procedural requirements at its level. The proposal is presently under consideration, and the Institute is awaiting approval from the competent authority. The de-affiliation of these units at this stage may adversely affect aspiring trainees seeking admission in these trades during the Academic Year 2026-27 and may also result in underutilization of the existing infrastructure, equipment, and trained instructional staff available at the Institute. In view of the above facts, it is humbly requested that: 1. The de-affiliation of one unit each of Turner and Wireman trades may kindly be reconsidered. ITI and exclusion from de-affiliation of 3rd Shift Units. Respected Sir/Madam, With due respect, that Sairam Private Industrial Training Institute (ITI) has already applied for conversion of its 3rd Shift units under the Dual System of Training (DST) through the prescribed format on 30th March 2026, well before the issuance of the de-affiliation order. Our DST application includes the following trades and units: 1. Electrician Trade – 3rd Shift, Unit 1 2. Electrician Trade – 3rd Shift, Unit 2 3. Fitter Trade – 3rd Shift, Unit 1 We understand the directives issued by the Directorate General of Training vide letter No. DGT-Affmisc/19/2022-TC Section dated 30.04.2026 regarding de-affiliation of 3rd Shift units which have not converted to DST mode. Further, as per the communication issued by the Joint Director, Vocational Education & Training, Nagpur Region dated 25.05.2026, institutions were advised to submit grievances/representations through the NIMI Grievance Portal. In this regard, we respectfully submit the following: 1. Sairam Pvt. ITI has already submitted the DST application on 30.03.2026 within the prescribed timeline. 2. All required documents and details have been submitted through the official portal. <u>3. Therefore, our institute should be treated as compliant and under process for DST</u>	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. 312	Maharashtra	PR27000893	MH/D/1/2026/1646	Rajshree Shahu ITI, Bambhori PR27000893	Subject: Complaint Application regarding the de-affiliation of the Third Batch under the DST (Dual System of Training) for the Academic Year 2026-27. Respected Sir, With reference to the above-mentioned subject, I wish to draw your attention to our institute, 'Rajarshi Shahu ITI, Bambhori, Jalgaon.' (NCVT MIS Code: PR27000893) Our institute provides vocational training under the DST (Dual System of Training) framework to ensure a bright future for our students. However, according to information recently received, the Third Batch (Third Intake) of our institute for the upcoming Academic Year 2026-27 has been de-affiliated (affiliation cancelled). In this regard, we submit the following points for your kind consideration: Compliance with Norms: Our institute has consistently and strictly adhered to all rules and criteria laid down by the DGT (Directorate General of Training) and the Directorate. The institute possesses all the necessary infrastructure, machinery, and qualified faculty required for the Third Batch. Detriment to Students: A large number of needy and aspiring students from the rural areas surrounding Jalgaon are eager to seek admission to this course. The sudden de-affiliation of this batch will cause many students to miss out on the opportunity for admission, resulting in significant academic loss for them. Industry Tie-ups: In accordance with DST regulations, we have also executed Memorandums of Understanding (MoUs) with reputed local industries Like Star Fabricator, MIDC, Jalgaon to ensure that students gain hands-on practical work experience.	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. However, the concerned ITIs have been provided time up to 30.09.2026 to convert all non-DST 3rd Shift units into DST mode through the prescribed procedure. In case of failure to complete the conversion by the stipulated date, all such non-DST 3rd Shift units shall be de-affiliated, and no admissions shall be permitted against these units from the academic session 2027 onwards.

313	Maharashtra	PR27000895	MH/D/1/2026/1667	Rabbani private ITI PR27000895	I, Rehan Kausar, Principal of Rabbani Private ITI, Futana Oli, Kamptee, Dist. Nagpur, am writing this letter to formally submit our grievance regarding the proposed de-affiliation of our 3rd shift units. Our institute has been affiliated with the NCVT since August 2018 for the Electrician trade (3 units: 1+1+1) and the Fitter trade (3 units: 1+1+1). We have always been dedicated to maintaining high-quality vocational training and strictly adhering to the norms prescribed by the DGT. Regarding the recent directives for the de-affiliation of non-DST 3rd shift units, we would like to bring the following crucial facts to your kind attention: Alternate Year Cycle: The 3rd shift at Rabbani Private ITI functions on an "Alternate Year" basis. In accordance with this established cycle, our institute is not conducting admissions for the 3rd shift in the current year, 2026. Instead, we are scheduled and permitted to take admissions for these units in the year 2027. Request for DST Conversion: Given this specific academic timeline, we formally request permission to initiate and complete the process of converting our 3rd shift units into DST units. This will ensure that our training infrastructure is effectively utilized for the 2027 admission session in compliance with the latest DGT norms. Stay on De-affiliation: We request that the de-affiliation order for our Electrician and Fitter 3rd shift units be stayed/revoked to secure the future of our training programs. We also request an update on the NCVT MIS portal to reflect these units as 'active' or 'under conversion' so that they are correctly listed in the Admission Directory for	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. D. Mane Institute of Technology Private ITI, Kagal (PU27000972), has been providing technical education since 2019. Currently, three trades—Fitter, Electrician, and Draughtsman Civil—are operational in the second (II) and third (III) shifts at our institute. As per current changes in government regulations, trades in the third shift are being de-affiliated. Previously, our institute was being operated under the 'spare capacity' of a Polytechnic. However, since the said Polytechnic has now closed, and as per new norms, it has become mandatory for us to provide training in the first and second shifts within an independent premise. Currently, we do not have any trades running in the first (I) shift. Therefore, to prevent academic loss for students and to make full use of available resources, we wish to make the following changes: Sr. No Trade Name Current Shift Proposed Shift Proposed Units Fitter I & II & III +1+0 Electrician I & II & III +1+0 Draughtsman Civil I & II & III +1+0 •Infrastructure: The institute has the necessary workshops, classrooms, and IT labs required for the first and second shifts as per the new DGT standards. •Student Welfare: Due to the closure of admissions in the third shift, rural students in the area are being deprived of admission opportunities.	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. However, the concerned ITIs have been provided time up to 30.09.2026 to convert all non-DST 3rd Shift units into DST mode through the prescribed procedure. In case of failure to complete the conversion by the stipulated date, all such non-DST 3rd Shift units shall be de-affiliated, and no admissions shall be permitted against these units from the academic session 2027 onwards.

343	Orissa	PR21000402	OR/D/3/2026/1188	RAIRANGPUR INDUSTRIAL TRAININGCU M PRODUCTION CENTRE PR21000402	Subject: Prayer for one-year exemption from de-affiliation of 3rd Shift Units not converted into DST mode – reg. Respected Sir, With due respect, I most humbly submit that our institute is situated in a remote tribal and economically backward region of Mayurbhanj district, Odisha. A large number of students studying in our 3rd Shift units belong to poor tribal families who depend mainly on agriculture, daily labour, forest-related work, and other small livelihood activities for survival. Most of these students remain engaged in family livelihood work during daytime and therefore cannot attend regular day-shift I.T.I classes. Many students assist in agricultural activities, cattle care, welding, electrical repairing, plumbing, fabrication, and other small technical works which help their families financially and also provide practical vocational exposure. For these economically distressed tribal students, the 3rd Shift system has become the only suitable opportunity to continue technical education while supporting their family responsibilities. If the 3rd Shift units are discontinued immediately, many deserving students may be forced to discontinue I.T.I education permanently due to poverty and livelihood compulsions. Sir, this issue is deeply connected with the educational and socio-economic welfare of poor tribal students residing in backward and hilly areas. Further, as the present period is the admission season for the current academic session, we earnestly request your kind office to grant one-year relaxation for continuation of the 3rd Shift units in the larger interest of tribal students' welfare. 350	Punjab	GR03000040	PB/D/1/2026/1138	G. ITI OTALON GR03000040	Respected Sir/Madam, It is respectfully submitted that the Wireman and Plumber trades of our ITI have been de-affiliated. We request you to kindly reconsider and restore the affiliation of these two trades at the earliest. Both Wireman and Plumber trades are highly demanded among students, and admissions in these trades are completed easily every session. These trades are also very important according to the industrial and technical requirements of our area. Further, our institute has signed MoUs with reputed companies for these trades, through which students are getting opportunities for On Job Training (OJT), Apprenticeship, and Placement. Our institute is fully committed to following all NCVT/DGT norms and standards. Therefore, considering the future of students and the employment opportunities connected with these trades, we request you to kindly re-affiliate the Wireman and Plumber trades of our ITI. Yadupati Singhania Institute of Technology, Nimbahera (Raj.) (MIS Code: PR08000986 , formerly known as J K Institute of Technology)has been implementing the Dual System of Training (DST) mode in four trades since its inception, and the same has been functioning successfully since 2016. The institute has valid and active MoUs with industries, ensuring proper industry linkage and industry training as per DST guidelines. These MoUs have already been submitted to the State Directorate. The institute is currently operating the following 3rd shift units under DST mode: S.No/Trade & Units in 3rd shift/Name of Industry (having DST MOU with us) 1. Mechanic Motor Vehicle (01 Unit)/Daksh Auto India Pvt. Ltd. 2. Fitter (02 Units)/Arno Industrial Products Ltd. 3. Electrician (04 Units)/Arno Industrial Products Ltd. 4. Electronics Mechanic (01 Unit)/JK Cement Ltd. Despite full compliance with DST requirements, it appears that our units have been erroneously categorized under non-DST, resulting in their de-affiliation. Request:In view of the above facts, We, therefore, humbly request your good office to: <u>Re-evaluate the DST status of our institute (MIS: PR08000986).</u>	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. 389	Rajasthan	PR08001097	RJ/D/1/2026/1051, RJ/D/1/2026/1635	YADUVANSHI PVT ITI PR08001097	Respected Sir, This is to respectfully submit that the Directorate General of Training, New Delhi has formulated a policy to impart training to ITI trainees across India under the Dual System of Training (DST) Scheme in dual mode. The DST Scheme is highly beneficial for trainees, as it enables them to acquire institutional training along with valuable industrial exposure. In accordance with the said policy, Yaduvanshi Private Industrial Training Institute, Behror (Alwar), Rajasthan intended to conduct training under the DST Scheme. Accordingly, the Institute entered into an MoU with an industry and submitted the same on 27/05/2022 to the Directorate of Technical Education, Jodhpur, Rajasthan for onward transmission. However, no update or communication was provided to the Institute, nor was the MoU forwarded to DGT, New Delhi. Subsequently, the Institute again executed another MoU with a different industry on 04/03/2024 and submitted it to the Directorate of Technical Education, Jodhpur, Rajasthan. Unfortunately, no action was taken on this MoU as well. Due to this inaction, the trainees of the Institute have suffered serious academic and professional loss. Further, it is respectfully stated that vide orders dated 30 April 2026, DGT, New Delhi de-affiliated third shifts running across India, as a result of which two units of Electrician trade (Third Shift) of Yaduvanshi Private Industrial Training Institute were also de-affiliated. In this context, it is submitted that Yaduvanshi Private Industrial Training Institute, Behror (Alwar) has now executed an MoU strictly as per DST Scheme norms with	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. However, the concerned ITIs have been provided time up to 30.09.2026 to convert all non-DST 3rd Shift units into DST mode through the prescribed procedure. In case of failure to complete the conversion by the stipulated date, all such non-DST 3rd Shift units shall be de-affiliated, and no admissions shall be permitted against these units from the academic session 2027 onwards.

392	Rajasthan	PR08001337	RJ/D/1/2026/1359	Arihant Private ITI PR08001337	With due respect, we would like to submit that Arihant Private ITI, Bhatewar Road, Vallabh Nagar, Udaipur, Rajasthan (MIS Code: PR08001337) has been operating 3rd shift units under the Dual System of Training (DST) mode since the year 2017. Our institute had signed DST MOUs with multiple industries/companies for trades including Electrician, Fitter, and Diesel Mechanic. Copies of the signed MOUs are attached for your kind reference. These MOUs were also submitted earlier through email to DGT and Rajasthan State authorities on multiple occasions. Further, during the DST implementation period, separate examinations for DST trainees were conducted by NCVT/DGT, different from regular trainees. Many students of our institute appeared in those DST examinations and certificates were generated mentioning the respective industry/company names, which clearly proves that our 3rd shift units were already functioning under DST mode. However, as per the recent de-affiliation order dated 30.04.2026 regarding non-DST 3rd shift units, the 3rd shift units of our institute have also been de-affiliated. We respectfully submit that our institute's 3rd shift units were already registered and functioning under DST mode since 2017. Therefore, inclusion of our units in the de-affiliation list appears to be due to non-updation or technical mismatch of records on the portal. Hence, we humbly request your good office to kindly review our case and restore/re-activate the 3rd shift DST units of Arihant Private ITI at the earliest, so that admissions and training activities may continue without interruption. Attached Documents: Copies of DST MOUs with industries/companies	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. Sir, in response to your letter, the applicant had to face the following practical problems in his district: 1. There is no large factory currently operating in my district. Those factories that do operate refuse to display the letter issued by your office through MOU signing. They decline to sign MOU on ₹100 stamp paper and also refuse to provide balance sheet-related information. Additionally, under the Child Labour Act, they refuse to allow trainees below 18 years of age to work in their factories. 2. Factory managements in the nearby areas of my district were also contacted, but they also faced similar problems and refused to sign MOU. 3. Sir, in other states like Uttarakhand, Delhi, NCR, where factories operate in large numbers, trainees can go there for training. However, financial problems arise because no industry trainer is willing to pay wages or stipend to trainees for training. For this they will have to arrange funds themselves, which will become a new financial burden on their families. In such a situation, no trainee will want to take admission in DST. The facts and circumstances necessitating this representation are as follows: 1. That Pt. Ram Sahay Pvt. ITI is being operated with the objective of imparting technical education to students belonging mainly to rural and economically weaker sections of society. Most students studying in the institution belong to lower middle-class families and depend upon Government scholarship schemes for continuation of their education. The institution is functioning substantially on a "No Profit – No Loss" basis. 2. That the basis of the impugned decision dated 30.04.2026 is that the 3rd Shift Unit could not be converted into Dual System of Training (DST) mode. Under the DST system, theoretical training is imparted by the ITI while practical training is to be provided by industries through tie-ups/MOUs as per DGT guidelines. 3. That although the objectives of the DST scheme are appreciable and beneficial in principle, the practical implementation of the same has become extremely difficult in District Agra because there are very few engineering-related industries available for tie-up purposes, especially near rural areas where the institution is situated. 4. Our institute has always been committed to providing quality, holistic, and industry-oriented skill education with a strong emphasis on practical training and employability enhancement. We continuously strive to work as an ideal institution by maintaining training standards and ensuring skill development aligned with national objectives. In compliance with the norms of the Dual System of Training (DST), our institute has an active and valid DST Memorandum of Understanding (MoU) effective from 01 April 2026 to 31 March 2030. The said MoU has already been duly submitted to the State Council for Vocational Training (SCVT) for necessary records and compliance purposes. However, due to the geographical distance between the institute and the industry partner location, it becomes practically difficult for trainees to regularly attend industry-based training under the existing arrangement. Considering trainee convenience, training continuity, and practical implementation challenges, continuation of admission in the 3rd Shift is essential to ensure that students receive uninterrupted quality skill education. As per DGT instructions, 3rd Shift units were required to be converted into Dual System of Training (DST) Mode. Our institution made sincere efforts to comply with this requirement. However, Kasganj is an industrially backward district, and finding suitable industries for DST partnership was extremely difficult. Despite continuous efforts, personal visits, and approaching more than 25 industries/institutions in Kasganj and nearby districts, most organizations declined to enter into an MOU. After persistent efforts, we were finally able to execute the required DST MOU on 28.04.2026. Therefore, the delay was due to genuine practical difficulties, not negligence or non-compliance. 475	Uttar Pradesh	pr09001435	UP/D/3/2026/961	srce private iti pr09001435	संस्थान निवेदन है कि डीजीटी के पत्र संख्या जीआईटी-संबद्धता/19/2022 टीसी सेक्शन दिनांक 09.01.2023 एवं 24.06.2024 के माध्यम से आईटीआई में मान्यता प्राप्त थर्ड शिफ्ट को डीएसटी/डीएससी में परिवर्तित करने हेतु 02 वर्ष का समय प्रदान किया गया था। उक्त आदेश के अनुपालन हेतु प्रार्थी द्वारा विभिन्न उद्योगों एवं कारखानों से संपर्क किया गया, किन्तु व्यवहारिक एवं तकनीकी कठिनाइयों के कारण यह प्रक्रिया पूर्ण नहीं हो सकी। इस संबंध में निम्नलिखित समस्याएँ सामने आई— 1. मेरे जनपद में कोई बड़ा उद्योग अथवा कारखाना संचालित नहीं है। जो छोटे उद्योग संचालित हैं, उनसे विभागीय निर्देशानुसार एमओयू (MOU) हस्ताक्षर करने का अनुरोध किया गया, किन्तु उन्होंने ₹100 के स्टॉप पेपर पर समझौता करने, अपनी बेलेंस शीट एवं अन्य वित्तीय विवरण उपलब्ध कराने से मना कर दिया। साथ ही, 18 वर्ष से कम आयु के प्रशिक्षार्थियों को बाल श्रम कानून का हवाला देते हुए प्रशिक्षण हेतु स्वीकार करने से भी इंकार कर दिया गया। 2. प्रार्थी द्वारा अक्सर के जनपदों एवं अन्य उद्योगों से भी संपर्क स्थापित किया गया, किन्तु वहाँ भी उपरोक्त प्रकार की व्यवहारिक कठिनाइयों का उल्लेख करते हुए एमओयू हस्ताक्षर करने से मना कर दिया गया। 3. उत्तराखंड, दिल्ली, एनसीआर आदि अन्य प्रदेशों में स्थित उद्योगों में प्रशिक्षार्थियों को प्रशिक्षण हेतु भेजने में गंभीर आर्थिक समस्याएँ उत्पन्न हो रही हैं, क्योंकि अधिकांश उद्योग प्रशिक्षार्थियों को किसी प्रकार का वेतन अथवा स्ट्राइपेंड देने को तैयार नहीं है। ऐसी स्थिति में प्रशिक्षार्थियों को स्वयं रहने एवं भोजन की व्यवस्था करनी पड़ेगी, जिससे उनके परिवार पर अतिरिक्त आर्थिक बोझ पड़ेगा। 4. आईटीआई में प्रवेश लेने वाले अधिकांश प्रशिक्षार्थी ग्रामीण एवं आर्थिक रूप से कमजोर परिवारों से आते हैं। वे प्रशिक्षण प्राप्त करने के साथ-साथ अपने परिवार के कार्यों एवं खेती-बाड़ी में भी सहयोग करते हैं। ऐसी परिस्थिति में अन्य जनपदों अथवा राज्यों में जाकर प्रशिक्षण प्राप्त करना उनके लिए आर्थिक एवं सामाजिक रूप से अत्यंत कठिन है। यही कारण है कि कोई भी प्रशिक्षार्थी डीएसटी ट्रेड में प्रवेश लेने हेतु इच्छुक नहीं हो रहा है। अतः उपरोक्त समस्या परिस्थितियों एवं तकनीकी समस्याओं को दृष्टिगत रखते हुए आपसे सादर निवेदन है कि मेरी आईटीआई की डी-अफिलिएट की गई संचालित थर्ड शिफ्ट को पुनः बहाल करने की कृपा करें, ताकि संस्थान एवं प्रशिक्षार्थियों का भविष्य सुरक्षित रह सके। भवदीय, (letter Attached) It is respectfully submitted that through DGT's letter no. Necessary groundwork has already been initiated, and discussions with relevant industry partners for signing MoUs are in advanced stages. However, as per the earlier Government Order issued by DGT, it was understood that the operation of the 3rd shift without DST mode had been extended up to the academic session 2026. Based on this understanding, our institute had planned to apply for DST mode in July 2026 so that the transition could be smoothly implemented and the 3rd shift seats could be continued from the academic session 2027 onwards. In light of the above, the sudden de-affiliation of the 3rd shift for the academic session 2026 has created practical difficulties for the institute. Therefore, we humbly request you to kindly allow conditional admissions in the 3rd shift for the academic session 2026.	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. 491	Uttar Pradesh	PR09900069	UP/D/1/2026/1597	Thakur Naubat Singh Private ITI PR09900069	That Thakur Naubat Singh Private ITI is being operated with the objective of imparting technical education to students belonging mainly to rural and economically weaker sections of society. Most students studying in the institution belong to lower middle-class families and depend upon Government scholarship schemes for continuation of their education. The institution is functioning substantially on a "No Profit – No Loss" basis. That the basis of the impugned decision dated 30.04.2026 is that the 3rd Shift Unit could not be converted into Dual System of Training (DST) mode. Under the DST system, theoretical training is imparted by the ITI while practical training is to be provided by industries through tie-ups/MOUs as per DGT guidelines. That although the objectives of the DST scheme are appreciable and beneficial in principle, the practical implementation of the same has become extremely difficult in District Agra because there are very few engineering-related industries available for tie-up purposes, especially near rural areas where the institution is situated. That due to environmental and regulatory restrictions relating to protection of the Taj Mahal region, industrial development in Agra District is limited. Consequently, there are very limited industries capable of providing practical training under DST mode. That the industries approached by the institution are reluctant to enter into MOUs due to stringent documentation requirements imposed under the DST guidelines, especially submission of financial statements and workforce statements. Such requirements are discouraging industries from participating in the scheme. 502	Uttar Pradesh	PR09900861	UP/D/1/2026/1580	K.V.PRIVATE ITI	The proposed de-affiliation/deactivation of 3rd shift units will severely affect our ITI, students, and overall skill development opportunities. After implementation of this order, our institute will be left with only 2 units, which will drastically reduce admission capacity and student intake. Reduced admissions will directly impact the financial sustainability and revenue of the institute, making it difficult to manage operational expenses, staff salaries, infrastructure maintenance, electricity expenses, equipment upkeep, and quality training facilities. Many private ITIs depend upon these units for smooth functioning and for providing employment-oriented skill education to students, especially from nearby rural and semi-urban areas. Sudden deactivation of 3rd shift units may adversely affect both institutions and students who rely on these opportunities. Further, conversion to Dual System of Training (DST) mode requires substantial financial investment and industry tie-ups, which are extremely difficult for many small and medium private ITIs. Establishing partnerships with companies, arranging industrial training infrastructure, transportation, coordination, and compliance requirements involve significant expenditure that may exhaust the limited financial resources of the institute. In the absence of adequate financial assistance, policy support, or practical implementation mechanisms from the Government side, immediate mandatory conversion to DST mode becomes very challenging. All required documents, including MOUs with industry partners and other supporting documents, were submitted in compliance with DST guidelines. However, it has come to our notice that our institute's name has been included in the De-affiliation order of 3rd shift under non-DST units. In this regard, it is humbly submitted that our application for DST approval was already under consideration and processed through proper channel. In view of the above, it is requested that: 1. Reconsider our case sympathetically 2. Exclude our institute from the de-affiliation list 3. Grant approval for 3rd shift under DST as per submitted proposal We assure you that we are fully compliant with all DST norms and are committed to implementing the program effectively. This is in reference to the DGT De-affiliation Order (File No. DGT-Aff0misc/19/2022-TC SECTION) dated 30.04.2026. The order states that non-DST 3rd shift units stand de-affiliated. However, we would like to formally bring to your attention that our institute holds a completely valid, active Memorandum of Understanding (MoU) with an industry partner to conduct training under the Dual System of Training (DST) mode for these exact trade units. As we are fully compliant with the requirement of having an industry tie-up to operate these shifts effectively, the sudden deactivation will heavily disrupt our industry collaboration and severely impact the training/placement path of our rural students. Therefore, we request you to kindly evaluate our attached industry MoU, verify our alignment with DST requirements, and restore/reactivate the 3rd shift for both Fitter (Unit 1) and Electrician (Unit 1) on our portal at the earliest. The facts and circumstances necessitating this representation are as follows: That Shri B S Pvt. ITI is being operated with the objective of imparting technical education to students belonging mainly to rural and economically weaker sections of society. Most students studying in the institution belong to lower middle-class families and depend upon Government scholarship schemes for continuation of their education. The institution is functioning substantially on a "No Profit – No Loss" basis. That the basis of the impugned decision dated 30.04.2026 is that the 3rd Shift Unit could not be converted into Dual System of Training (DST) mode. Under the DST system, theoretical training is imparted by the ITI while practical training is to be provided by industries through tie-ups/MOUs as per DGT guidelines. That although the objectives of the DST scheme are appreciable and beneficial in principle, the practical implementation of the same has become extremely difficult in District Agra because there are very few engineering-related industries available for tie-up purposes, especially near rural areas where the institution is situated. Respected Sir/Madam, With reference to the subject mentioned above, we, on behalf of the management of PR05000144-SAKET PRIVATE ITI BHOGPUR, would like to express our deep concern regarding the order issued by DGT, under which the affiliation of our 3rd shift Non-DST (Dual System of Training) units has been terminated. We would like to bring the following facts to your kind notice for reconsideration of this decision: Demand of the Industrial Area: Due to the high number of industries in our region, employment opportunities for local students have significantly increased. Through the 3rd shift, we were able to train more students, who will now be deprived of this valuable opportunity. Practical Difficulties in DST Conversion: Our institute made active efforts to sign MoUs with local industries for DST (Dual System of Training). However, due to certain technical reasons and the limited capacity of the industries, this process could not be completed on time. Additionally, trainees are reluctant to pursue ITI CTS courses under the DST mode, preferring traditional formats instead. Full Utilization of Infrastructure: Our institute possesses adequate infrastructure and qualified instructors to operate the 3rd shift. The sudden de-affiliation will not only cause financial loss to the institute but will also adversely impact the skill development of the youth in this region.	Decision: In compliance with the directions of the Hon'ble High Court, all de-affiliated 3rd Shift non-DST units have been reactivated and permitted to participate in CTS Admissions 2026, subject to the mapping of instructors through NIMS, vide DGT-HC044/37/2022-O/o DIR (TC) (E-55708) dated 27.07.2026. ITI PU05000058	Respected Sir/Madam, Our 3rd Shift Units were de-affiliated citing non-conversion into DST mode as per the order referred above. In this regard, we respectfully submit the following: 1) DGT's earlier instructions directed that 3rd Shift units must be converted to DST mode before the 2026-27 session. 2) As per Affiliation Norms 2025, the application for conversion of 3rd Shift units into DST mode can only be submitted through the NIMI Affiliation portal. 3) The NIMI Affiliation portal for session 2026-27 is not yet live. DGT has indicated that the portal will become operative only from July/August 2026 as per new affiliation norms 2025. Therefore, ITIs have had no opportunity to submit the online application for conversion for the ensuing session 2026-27, despite being willing to comply. In view of the above, we request you to: 1) Continue the affiliation of our existing 3rd Shift units for session 2026-27 to enable admissions as per local demand, and 2) Grant an additional period of two years for conversion of 3rd Shift units into DST mode. We hope our genuine request will be considered favorably in the interest of ITI Management, trainees and skill development. 525	West Bengal	GR19000167	WB/D/1/2026/1094	GOVERNMENT ITI SAGARDIGHI RUNNING UNDER PTP	Respected Sir/Madam, With due respect, it is submitted that Government ITI Sagardighi Running under PTP, MIS Code: GR19000167, has already obtained DST approval for its 3rd shift units from the SCAA. Further, as per DGT notification dated 24/06/2024 and subsequent extension granted for two years, the timeline for conversion of existing 3rd shift units into DST mode was extended up to the commencement of the 2026-27 academic session. Therefore, the institute proceeded with DST conversion process accordingly during 2024 and 2025. The institute has valid Industry MoU for DST implementation as mentioned below: 1. Electrician (NSQF) – MOU validity from 28/07/2023 to 28/07/2029 2. Fitter (NSQF) – MOU validity from 28/07/2023 to 28/07/2029 3. Welder (NSQF) – MOU validity from 28/07/2023 to 28/07/2029 The DST conversion/recommendation copies and supporting documents are enclosed herewith. However, despite having DST approval/recommendation and valid Industry MoUs, the following units have been reflected under the de-affiliated non-DST 3rd shift list: 1. Fitter (NSQF) This appears to be due to data mismatch/portal updation issue. Therefore, it is humbly requested to kindly review the matter and restore/reactivate the concerned units at the earliest to avoid academic loss and hardship to the students and institution. Thanking You.
