**Sub:-** Implementation of Blended content for 6(six) most demanded Trades w.e.f Sept 20 for Session 20 under Craftsmen Training Scheme (CTS)

Sir/Madam

It is to inform you that Sectoral Trade Course Committee(s) (STCC) for 40 sectors have been constituted vide Office Memorandum MSDE (DGT)-19/01(04)/2019-CD dated 09th April, 2020 to work on different sectors of economy and to further revitalize the large networks of ITIs and CFIs under DGT as well as to standardize the processes of curriculum development, training, assessment and certification system of a particular sector /area. The above STCC committee alongwith NIMI, Chennai team, are developing blended e-content for effective teaching and learning using the latest technology and IT platform. The work of developing blended content for digital learning for the following 6 (six) most demanded trades under CTS will be finalized soon and uploaded in Bharat Skills portal to implement w.e.f from Sept 20 for the Session 20-21 and onward.

1. Fitter
2. Electrician
3. Diesel Mechanic
4. Welder
5. COPA
6. Cosmetology

The master trainers will be trained by respective Subject Matter Experts (SME) of respective STCC on digital learning under leadership of NIMI/CSTARI and instructors of the above trades in ITIs (Govt.&Pvt)/NSTIs will be further trained through master trainers to implement from the current session. CSTARI/NIMI will prepare 2-3 days Training on Digital Learning and its implementation through Webinar.

You are therefore requested to identify the master trainers and Instructors of above trades to be trained immediately on intimation of schedule of 2 to 3 days training through Webinar by NIMI/CSTARI/NSTIs. Accordingly details of identified Master Trainers may provide at the email [rpdingra@gmail.com](mailto:rpdingra@gmail.com) by 31<sup>st</sup> August, 2020

Yours Faithfully
