Government of India
Ministry of Skill Development & Entrepreneurship (MSDE)
Directorate General of Training (DGT)

Employment Exchange Building, Pusa Road
New Delhi – 12, 10th December, 2021

To,

1. All State Directorates / UT Administrations dealing with Craftsmen Training Scheme
2. All Regional Directorates of Skill Development & Entrepreneurship

Subject: Conduct of special examinations for Craftsmen Training Scheme – AITT 2021 for trainees participating in World skills 2022 and others- reg.

Sir,

Several representations have been received at the Office of the Secretary, MSDE and at the DGT that a number of trainees who are supposed to take up the All India Trade Tests (AITT) 2021 scheduled from 13th December, 2021 are also required to take part in the preparations for the Worldskills 2022 during the same time.

2. Also, it has been noted that some of trainees have not been able to submit their eligibility in the earlier given timeframes (issued earlier) and there are some trainees whose verification by the respective ITI/SPIU have not been completed. Accordingly, this has resulted into their names not being reflected on the portal for generation of Hall Tickets.

3. The matter has been discussed in details and it has been decided by the competent authority that a special examination shall be conducted after AITT 2021 for all such trainees who come in the above categories.

4. The ITIs may submit the list of such trainees to the respective State Directorates for onward submission of compiled list to the examination cell of the DGT for planning of the special examination as mentioned above.

Yours sincerely,

(Sathya Shankar B.P.)

Director/ Controller of Examinations
