Subject: Encouraging the States and ITIs for adopting Digital Mode of Payment-regarding

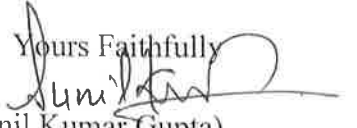

Ma'am/ Sir

Government of India is making efforts for promoting a less cash economy and to provide the facility of seamless digital payment to all citizens of India in a convenient manner.

In pursuance of this vision, "DIGIDHAN Mission" has been set under the Ministry of Electronics and Information Technology (MeitY), with an objective to enable digital payment infrastructure throughout the country. To monitor the growth of digital payments, MeitY has developed "Digidhan Dashboard", a platform for accurate reporting, monitoring and analysis of all digital payments' transactions occurring in the country and enablement of infrastructure through deployment of Physical/Mobile/BHIM Aadhaar PoS devices.

In this regard, it is observed that, there are various types of Payments between DGT, State Directorate, ITI and Trainees, e.g., Registration fee for ITI on Online Affiliations Portal, Fee charged by States from ITIs, payments from SPIUs to DGT for Portal related Processing fee, Admission and Exam fee paid by Trainees, etc.

All the State Directors are requested to encourage the ITIs, in their respective States/ UTs, for the use of Digital Mode of Payment. It is advised to all the concerned stakeholders to adopt Digital Mode of Payment and above-mentioned Infrastructure, to make the system Transparent and enhance Ease of Doing Business. This will be a positive effort in achieving the vision of Digital India and Digidhan Mission.

Yours Faithfully

(Sunil Kumar Gupta)
