All Regional Director(s)/Principal/HoDs of National Skill Training Institutes (NSTIs).

Subject: Enhancement of quantity of number of computer in COPA trade under CTS in  
ITIs/NSTIs.

Sir/Madam,

During visit to different NSTIs/ITIs it is felt that the number of computers prescribed in the equipment list of COPA trade under CTS is found inadequate for practice by all the trainees in ITIs/NSTIs. Hence, it is decided to increase the number of computer 1:1 i.e. for a batch of 24 trainees the number of computer required will be 24.

This will be applicable in all Govt. & Private ITIs w.e.f. session 2020-21 while that will be applicable in NSTIs from the current session i.e August, 2019-20.

You are therefore requested to take necessary action to procure the latest configuration of PCs and software for smooth practice by the trainees.

Yours faithfully

(Deepankar Mallick)
