Subject: Last chance for physical verification / data validation under grading of ITIs phase II

Sir,

Directorate General of Training (DGT) under the aegis of Ministry of Skill Development and Entrepreneurship (MSDE) is undertaking grading of all ITIs in the country. In the current phase 2, DGT had made it compulsory for all existing ITIs to participate in the grading exercise. DGT has engaged ICRA Management Consulting Services Ltd. (IMaCS) to conduct the grading exercise for ITIs across the country.

2. To complete the comprehensive and objective physical inspection of each ITI Registered with the DGT within set timeline, it is hereby informed that IMaCS auditors may be permitted to physically visit the ITI and full cooperation should be extended towards producing the necessary documentary evidences.

3. DGT is giving the last chance to remaining ITIs which could not participate despite repeated reminders from third party agency (M/s IMaCS). Now the last date to get your respective ITI physically verified by M/s IMaCS auditor is 29.02.2020.

4. In case any ungraded ITI denies physical verification on scheduled date assigned to respective ITI, DGT may initiate de-affiliation process against such ITIs.

5. In view of the above kindly disseminate the above information among all the ITIs (Govt. as well as Pvt.) in your state.

Thanking you

Yours faithfully
