OFFICE MEMORANDUM

Subject: Implementation of Recommendation of the Working Group for revamping all DGE&T Schemes.

A Working Group had been constituted for revamping of all DGE&T schemes. The 2nd Meeting of the Working Group held on 28th January, 2014 at Shram Shakti Bhawan, New Delhi.

2. The following recommendations of the working group have been accepted by the competent authority for implementation:

- a) Every State Government should constitute a committee, with representation from the DGE&T/ NCVT, to stipulate norms for maximum fee chargeable by private ITIs. The fee model should be tied to grading of ITIs and trade.
- b) States follow different methods of admission. To bring uniformity across the country, all the entrance examinations for admission to ITIs should be phased out over the period of next 2-3 years. All the States should move to centralised admission based on marks of qualifying examinations. This will reduce the delay in admission and students will apply to single entry point. The states can use their own/DGE&T web portal for online application and admission.
- c) On the job training/ project work is to be made mandatory for Craftsman Training Scheme (CTS) courses to ensure that pass-outs from ITIs are market ready.
- d) In all the ITI courses, there will be a break of one week between two semesters to facilitate maintenance of workshops and skill upgradation of trainers etc.
- e) Contractual faculty should be hired against all vacant sanctioned posts in Government ITIs till these are filled up by regular appointments. ITIs / IMCs be delegated the authority to hire them.
- f) In order to ensure that the quality of contractual instructors hired in ITIs also remain at par, it is made mandatory that instructor training be conducted by the State Governments for all contractual instructors who have served for more than 3 years.
- g) Regular skill upgradation is must for trainers. Hence one or two weeks of refresher training may be made mandatory for trainers, at least every three years.
- h) In order to ensure that vocational training is accessible to all, affordable Government infrastructure needs to be provided to candidates so that they do not have to rely purely on private institutions. States therefore, need to take

steps for promoting establishment of private ITIs in areas where the density of ITIs is less than the national average and at the same time continue setting up more ITIs in public sector, especially in trades requiring higher investment and for which private sector is not much willing.

- i) In order to build capacity and ensure consistent availability of quality manpower for jobs such as paper setting, invigilation, tabulation, paper checking for various examinations, a pool of Paper Setters, Examiners, Moderators, Tabulators and Checkers should be created. A transparent process of inviting online applications for these jobs should be developed. For the assessment of practical examination, retired instructors of ITIs as well as workshop faculties of polytechnics etc. may be empaneled as assessors and prepared for assessment procedures.
- j) The placement tracking should be done by State Government at State Directorate level. IVRS tracking and online portal may be used for this purpose.
- k) As per the NCVT guidelines issued in October, 2012 affiliation granted to Government and Private ITIs is valid for a period of five years from the date of affiliation and after every five years, the institute will be inspected afresh. It was also informed that inspection of trades/ units already affiliated which are more than five years old shall be carried out in phased manner. It has now been decided that State Governments should ensure that all Government ITIs (affiliated more 5 years ago) should apply for re-affiliations through the year 2014-15 as per details below:

Timeframe	Percentage of ITIs applying
Quarter 1, 2014-15	10%
Quarter 2, 2014-15	20%
Quarter 3, 2014-15	30%
Quarter 4, 2014-15	40%

It is further informed that all private ITIs (affiliated more 5 years ago) must apply for re-affiliation latest by the end of 2nd quarter of 2014-15.

D.O. No. DGET-6/Misc/2014-TC
Dated 09.04.2014

Dear Jugals,

Industrial Training Institutes play a vital role in economy of the country especially in terms of providing skilled manpower. Trades in large number of ITIs, both in government and private sector, were affiliated by NCVT long time back. There has been a strong feedback from the industry that these ITIs urgently need to upgrade the training infrastructure in tune with change in syllabus of trade(s) prescribed by NCVT to meet demand of industry. Therefore, in the year 2011, NCVT decided that henceforth affiliation to ITIs would be granted for five years only and all the ITIs, which were affiliated before five years, would be affiliated afresh. This was communicated vide letter No. DGET-19(4)/2012-CD dated 01.11.2012(copy enclosed).The issue was also discussed in the State Labour Secretaries' meeting on 31st January, 2014.

The matter was again taken up by the Working Group for 'revamping of all DGET schemes' and the Group has recommended that re-affiliation of old ITIs be ensured immediately. This recommendation has been accepted and accordingly it has been required that 10% of the Govt. ITIs affiliated more than 5 years ago should apply for re-affiliation within Quarter 1, 2014-15, 20% in Quarter 2, 30% in Quarter 3 and 40% in Quarter 4. In respect of private ITIs, all (which are more than 5 years old) must apply by second quarter of 2014-15 for re-affiliation (copy enclosed).

As per existing procedure of grant of affiliation/re-affiliation with NCVT, all the applications are to be submitted online to NABET (QCI) along with requisite documents.

It is, therefore, requested that the concerned officers of the State Government may kindly be suitably instructed to ensure that all the ITIs submit their applications as per aforesaid schedule. As per our record, there are 26 nos. of such Govt. ITIs and 475 nos. of private ITIs with seating capacity of 8464 and 82,036 respectively in your State.

Timely submission of application for re-affiliation and at the same time upgrading the training infrastructure to comply with the present NCVT norms would be critical so that these institutions are able to continue running NCVT affiliated courses from August, 2015 session and deliver good quality training commensurate with the laid down standards.

With warm regards,

Yours sincerely,

(Gauri Kumar)

In this context, vide our Secretary' letter dated 9.4.2014 addressed to the Chief Secretaries, it was advised to apply online on QCI web-portal adhering to following schedule:-

Sl. No	% age of ITIs	Nos. of ITIs	Quarter for online submission to the QCI for accreditation	Time period for Inspection & Accreditation by QCI	Time period for DGET to scrutinize and grant of affiliation by Sub-committee of NCVT
Govt. ITIs					
1.	10%	200	April-June 2014	July - Sept.-2014	October -November, 2014
2.	20 %	400	July-Sept. 2014	Oct- 2014 - Dec, 2014	January - February, 2015
3.	30%	600	Oct.- Dec. 2014	Jan - Mar, 2015	April -May , 2015

In this endeavor, it is informed that Quality Council of India has been advised to extend all its cooperation and based upon the problems highlighted by the some of the States/institutes, DGE&T has also suitably reviewed norms for re-affiliation .

Modified norms for instructors for re-affiliation of ITIs are as follows:

The Principals & instructors appointed before the above mentioned dates would be exempted from qualification point of view. Additional year is given to Govt. ITIs as change in Recruitment Rules (RRs) and also selection process consumes time by State Government/ service commission.
- ✓ Instructors, who were appointed before five years (i.e., before year 2009), should be trained under the Crafts Instructor Training Scheme (CITS) before Aug 2016. Instructors, who are superannuating in June 2018 or before, should be exempted from training under CITS. Other instructors appointed during past five year (2009-2014) should be trained under CITS before Aug 2017.
- ✓ Principals of the Government ITIs are authorized to sign on plan layout in place of registered Architect.
