**OFFICE MEMORENDUM**

**Subject: - Use of updated NCVT MIS portal data for grading of ITIs in phase-II reg.**

Directorate General of Training (DGT) under the aegis of Ministry of Skill Development and Entrepreneurship (MSDE) is undertaking grading of all ITIs in the country in phase-II with an aim to provide grades to all ITIs affiliated to NCVT/ NCVET.

2. All the ITIs are graded on the basis of 27 comprehensive parameters. Out of these 27 grading parameters, 6 parameters (Parameter no. 9, 10, 20, 22, 23, 26) are linked to data collected from NCVT MIS portal. On the basis of grievances raised by some ITIs, Grievance Redressal Committee recommended to evaluate the NCVT MIS data which was provided to M/s ICRA Analytics for assigning tentative grades to ITIs.

3. Based on the recommendation of Grievance Redressal Committees, DGT has re-evaluated the NCVT data. The updated NCVT data is provided to the M/s ICRA Analytics for assigning tentative grades to ITIs in phase-II.

4. It is pertinent to mention that due to updation in NCVT MIS data, the tentative grades of some ITIs which were shared earlier may change.

(Neelam Shami Rao, IAS)  
Director General of Training
