Subject: One time relaxation for recently compliant NSQF trades for the year 2018-19 –reg.

Sir/Madam,

This is in reference to order of even no. dated, 3rd October, 2018 regarding implementation of NSQF compliant trade from the session 2018-19.

In view of the representations received from some State Directorates showing the difficulties in implementing the NSQF aligned trades for the admitted trainees in the session year 2018-19 due to the reasons as below:

- Duration revised from one year to two year from year 2018-19
- Entry qualification raised from 8th pass to 10th pass from year 2018-19
- NSQF trades, transferred from Non Engineering group to Engineering group

The issue has been examined and the competent authority has accorded approval for **one time exemption for the admitted trainees in following trades for the year 2018-19** with conventional syllabus in place of NSQF compliant syllabus.
